PRODUCTION SHARING CONTRACT

BETWEEN

The **KURDISTAN REGIONAL GOVERNMENT OF IRAQ** (hereafter referred to as the "**GOVERNMENT**"), duly represented by the Minister of Natural Resources;

AND

GULF KEYSTONE PETROLEUM INTERNATIONAL LIMITED a company established and existing under the laws of Bermuda, and having its registered office is at Milner House, 18 Parliament Street, P.O. Box HM 1561, Hamilton HM FX, Bermuda;

(hereafter referred to as the "**CONTRACTOR**")

WHEREAS

- (A) The **GOVERNMENT** wishes to develop the petroleum wealth of the Kurdistan Region (as defined in this Contract) in a way that achieves the highest benefit to the people of the Kurdistan Region and all of Iraq, using the most advanced techniques of market principles and encouraging investment, consistent with the Constitution of Iraq including Article 112 thereof;
- (B) In accordance with the Constitution of Iraq, the prevailing law of the Kurdistan Region is the Kurdistan Region Law (as defined in this Contract), except with regard to a matter wholly within the exclusive jurisdiction of the Government of Iraq;
- (C) The National Assembly of the Kurdistan Region approved the Oil and Gas Law of the Kurdistan Region – Iraq (Law No. 22 of 2007) which law regulates Petroleum Operations, including production sharing contracts and Article 54 of which requires that all production sharing contracts entered into by the **GOVERNMENT** prior to the entry into force of that Law shall be subject to review by the Regional Council for the Oil and Gas Affairs of the Kurdistan Region – Iraq to make them consistent with the provisions of that Law, taking into consideration the prevailing conditions when those contracts were entered into;
- (D) The **GOVERNMENT** intends to present to the National Assembly of the Kurdistan Region a law or laws to authorise the **GOVERNMENT**, by contract or other authorisation, to exempt investors in long term projects relating to the conduct of petroleum operations in the Kurdistan Region from Kurdistan Region taxation, to indemnify such holders against liability to pay such taxation, and/or to guarantee the stability of the applicable legal, fiscal and economic conditions of such projects; and
- (E) Each **CONTRACTOR Entity** is a company,
 - (a) with the financial capability, and the technical knowledge and technical ability, to carry out Petroleum Operations in the Contract Area (as defined in this Contract) under the terms of this Contract;

RS

JBC-TK

- (b) having a record of compliance with the principles of good corporate citizenship; and
- (c) willing to cooperate with the **GOVERNMENT** by entering into this Contract, thereby assisting the **GOVERNMENT** to develop the Kurdistan Region petroleum industry, thereby promoting the economic development of the Kurdistan Region and Iraq and the social welfare of its people.

NOW, THEREFORE, THE PARTIES HAVE AGREED AS FOLLOWS

ARTICLE 1 – DEFINITIONS

1.1 Capitalised terms and expressions in this Contract shall have the following meaning, unless otherwise specified:

Abroad means outside of the Kurdistan Region and other parts of Iraq.

Access Authorisation is defined in Article 17.9.

Accounts is defined in Article 15.1.

Accounting Procedure means the Accounting Procedure attached to this Contract as Annex D and constituting an integral part of this Contract.

Adjacent Contract Area is defined in Article 34.1.

Adjustment Date is defined in Article 27.6.

Affiliated Company or **Affiliate** means, as regards any of the companies or entities constituting the **CONTRACTOR**, a company or other legal entity which:

- (a) controls a **CONTRACTOR** Entity; or
- (b) is controlled by a **CONTRACTOR** Entity; or
- (c) controls or is controlled by a company or entity which controls a **CONTRACTOR** Entity,

but shall not include the **GOVERNMENT** in respect of the Public Company. For the purpose of this definition, “**control**” means direct or indirect ownership or control of the majority of the voting rights of the applicable entity at its shareholders’ meetings or their equivalent.

Agreed Terms is defined in Article 14.10(a).

Appraisal Area means the area defined in Article 12.2.

Appraisal Work Program and Budget is defined in Article 12.2.

WS

JBG-TK

Appraisal Report is defined in Article 12.4.

Appraisal Well means a well drilled for the purpose of evaluating the commercial potential of a geological feature or a geological structure in which Petroleum has been discovered.

Arm's-Length Sales means sales of Petroleum in freely convertible currencies between sellers and buyers having no direct or indirect relationship or common interest whatsoever with each other that could reasonably influence the sales price. Such Arm's-Length Sales shall exclude:

- (a) sales between or among any of the **CONTRACTOR** Entities and their respective Affiliates;
- (b) sales involving the **GOVERNMENT** or the Government of Iraq; and
- (c) sales involving exchanges and any transactions not relating to normal commercial practices.

Assets means all land, platforms, pipelines, plant, equipment, machinery, wells, facilities and all other installations and structures and all Materials and Equipment.

Associated Natural Gas means (i) any Natural Gas dissolved in Crude Oil under reservoir conditions and (ii) any residue gas remaining after the extraction of Crude Oil from a reservoir.

Audit Request Period is defined in Article 15.3(a).

Available Associated Natural Gas is defined in Article 25.1.

Available Crude Oil is defined in Article 25.1.

Available Non-Associated Natural Gas is defined in Article 25.1.

Available Petroleum is defined in Article 25.1.

Barrel means a quantity of forty-two (42) US gallons as a unit to measure liquids, at a temperature of sixty degrees (60°) Fahrenheit and pressure of fourteen point seven (14.7) psi.

Budgets means any budgets prepared by, or on behalf of, the **CONTRACTOR** pursuant to this Contract and forming part of an Exploration Work Program and Budget and/or an Appraisal Work Program and Budget and/or a Gas Marketing Work Program and Budget and/or a Development Work Program and Budget and/or a Production Work Program and Budget.

Calendar Year means a period of twelve (12) consecutive Months, commencing 1 January and ending on 31 December of the same year.

Capacity Building Bonus is defined in Article 32.2.

Chairman is defined in Article 8.1.

KS

JBG

Commercial Discovery means a Discovery which is potentially commercial when taking into account all technical, operational, commercial and financial data collected when carrying out appraisal works or similar operations, including recoverable reserves of Petroleum, sustainable regular production levels and other material technical, operational, commercial and financial parameters, all in accordance with prudent international petroleum industry practice.

Commercial Production means the production of Petroleum from the Production Area in accordance with annual Production Work Program and Budget.

Constitution of Iraq means the permanent constitution of Iraq approved by the people of Iraq in the general referendum of 15 October 2005.

Contract means this production sharing contract, including its Annexes A and B that are an integral part hereof, as well as any extension, renewal, substitution or amendment of this production sharing contract that may be agreed in writing by the Parties in accordance with Article 43.7.

Contract Area means the area described and defined in Annex A attached to this Contract and constituting an integral part of this Contract, and any modifications made to that Annex in accordance with the provisions of this Contract, through amendments, surrender, withdrawal, extension or otherwise.

Contract Year means a period of twelve (12) consecutive Months starting from the Effective Date or any anniversary of that date.

CONTRACTOR includes and comprises each and all **CONTRACTOR** Entities, and/or any assignee of all or part of the rights and obligations of a **CONTRACTOR Entity** under this Contract in accordance with Article 39, but not including any holder of the Government Interest.

CONTRACTOR Entity means any Person which is for the time being a component of the **CONTRACTOR**, and/or any assignee of all or part of the rights and obligations of such Person under this Contract in accordance with Article 39, but not including any holder of the Government Interest. For the avoidance of doubt, at any time when there is only one entity constituting the **CONTRACTOR**, any reference made in this Contract to "the entities constituting the **CONTRACTOR**" or the "**CONTRACTOR** entities" or similar reference, shall be deemed to mean "the entity constituting the **CONTRACTOR**". **Gulf Keystone Petroleum International Limited** as the **CONTRACTOR** Entity as at the Effective Date, owns an undivided interest in the Petroleum Operations in respect of the entire Contract Area in the following percentages at the Effective Date:

Gulf Keystone Petroleum International Limited	80%
--	-----

The balance of the interest in Petroleum Operations in respect of the entire Contract Area, being twenty per cent (20%), is the Government Interest as defined in Article 4.1.

KS

JBL/K

Crude Oil means all liquid hydrocarbons in their unprocessed state or obtained from Natural Gas by condensation or any other means of extraction.

Decommissioning Costs means all the costs and expenditures incurred by the **CONTRACTOR** when carrying out Decommissioning Operations, including those defined in the Accounting Procedure.

Decommissioning Operations means any works, together with all related and auxiliary activities, for decommissioning and/or removal and/or abandonment and making safe all of the Assets and site restoration and remediation related thereto in relation to any Production Area.

Decommissioning Plan is defined in Article 38.7.

Decommissioning Reserve Fund is defined in Article 38.1 and includes all contributions paid into such fund and all interest accumulated such fund.

Deductible Amount is defined in Article 35.12.

Delivery Point means the point or points after extraction, specified in the approved Development Plan for a Production Area, at which the Crude Oil, Associated Natural Gas and/or Non-Associated Natural Gas is metered for the purposes of Article 27.5, valued for the purposes of Article 27.1 and ready to be taken and disposed of, consistent with prudent international petroleum industry practice, and at which a Party may acquire title to its share of Petroleum under this Contract or such other point which may be agreed by the Parties.

Development Costs means all the costs and expenditures incurred by the **CONTRACTOR** when carrying out Development Operations, including those defined in the Accounting Procedure.

Development Operations means all development operations or works conducted in accordance with a Development Plan up to the Delivery Point with a view to developing a Production Area, including: drilling of wells; primary and subsequent recovery projects and pressure maintenance; survey, engineering, building and erecting or laying of production plants and facilities (including: separators; compressors; generators; pumps and tankage; gathering lines; pipelines and all facilities required to be installed for production, pressure maintenance, and treatment, storage and transportation of Petroleum); obtaining of such materials, equipment, machinery, items and supplies as may be required or expedient for the foregoing activities; and all auxiliary operations and activities required or expedient for the production of Petroleum from the Production Area.

Development Period is defined in Article 6.

Development Plan means a plan for development defined in Article 12.8.

Development Well means any well drilled after the date of approval of the Development Plan for the purpose of producing Petroleum, increasing or accelerating production of Petroleum, including injection wells and dry holes. Any well drilled within a Production Area shall be deemed a Development Well.

KS

JBF

Development Work Program and Budget means the development work program and budget prepared pursuant to Article 13.2.

Discovery means a discovery of Petroleum within the limits of the Contract Area resulting from Petroleum Operations carried out under this Contract, provided such Petroleum is recoverable at the surface with a measurable flow utilising techniques used in prudent international petroleum industry practice.

Dispute is defined in Article 42.1.

Dollar (US\$) means the legal currency (dollar) of the United States of America (USA).

Effective Date means the date on which the conditions referred to in Article 47 have been fulfilled.

Environment Fund is defined in Article 23.9.

Equipment and Materials is defined in Article 19.1.

Exploration Costs means all the costs and expenditure incurred by the CONTRACTOR when carrying out Exploration Operations, including those defined in the Accounting Procedure.

Exploration Operations means any and all operations conducted with a view to discovering Petroleum, including: any activities necessary to commence operations; any topographical, hydrographical, geological, geophysical, aerial and other surveys and activities (including interpretations, analyses and related studies) to investigate the subsurface for the location of Petroleum; drilling of shot holes, core holes and stratigraphic test holes; spud, drilling, testing, coring, logging and equipping of Exploration Wells or Appraisal Wells; procurement of such services, material, equipment, machinery, items and supplies as may be required or expedient for the foregoing activities; and all auxiliary operations and activities required or expedient for the conduct of the foregoing activities.

Exploration Period is defined in Article 6.

Exploration Rental is defined in Article 6.3.

Exploration Well means any well drilled for the purpose of confirming a geological structure or stratigraphic unit in which no Discovery has previously been made by the CONTRACTOR.

Exploration Work Program and Budget means the exploration work program and budget prepared pursuant to Article 11.1.

Export Crude Oil is defined in Article 24.2.

Export Non-Associated Natural Gas is defined in Article 24.2.

Export Petroleum is defined in Article 24.2.

WS

JBC TK

First Exploration Well is defined in Article 10.2 (e).

First Production means the moment when Commercial Production of Crude Oil or Non-Associated Natural Gas (as the case may be) first commences, by flowing at the rate forecast in the Development Plan without interruption for a minimum of forty eight (48) hours.

Force Majeure is defined in Article 40.2.

Gas Development is defined in Article 14.10.

Gas Marketing Costs means all costs and expenditure incurred by the CONTRACTOR when carrying out Gas Marketing Operations, including those defined in the Accounting Procedure.

Gas Marketing Operations means any and all of the activities and operations contemplated by Article 14.6.

Gas Marketing Work Program and Budget means the marketing work program and budget prepared pursuant to Article 14.8.

Government Interest is defined in Article 4.1.

Government of Iraq means the Federal Government of the Republic of Iraq, which holds office under the Constitution of Iraq and any minister, ministry, department, sub-division, agency, authority, council, committee, or other constituent element thereof and shall, without limitation, include any corporation owned and/or controlled by any of the foregoing.

International Market Price is defined in Article 27.2.

Iraq means the entirety of the Republic of Iraq, including the Kurdistan Region.

Joint Operating Agreement means any agreement executed by the CONTRACTOR Entities at any time for the purpose of regulating between such entities the terms under which the Petroleum Operations will be conducted, which agreement shall be: (a) consistent with prudent international petroleum industry practice; (b) as between such entities, supplementary to this Contract; and (c) consistent with the provisions of the Contract.

Kurdistan Region means the Federal Region of Kurdistan recognised by the Constitution of Iraq and having the same meaning as 'Region' in the Kurdistan Region Oil and Gas Law.

Kurdistan Region Law means all statutes, decrees, edicts, codes, orders, rules, ordinances and regulations of the GOVERNMENT or of any other local, municipal, territorial, provincial, or any other duly constituted governmental authority or agency in the Kurdistan Region.

Kurdistan Region Oil and Gas Law means the Oil and Gas Law of the Kurdistan Region – Iraq (Law No. 22 of 2007) as the same may be amended.

KS

JBB-IF

Law means all applicable laws including the following: constitutional law, civil law, common law, international law, equity, treaties, statutes, decrees, edicts, codes, orders, judgements, rules, ordinances and regulations of any local, municipal, territorial, provincial, federated, national or any other duly constituted governmental authority or agency.

LCIA is defined in Article 42.1(b).

LIBOR means the London Inter-Bank Offered Rate at which Dollar deposits for one (1) month are offered in the inter-bank market in London, as quoted in the Financial Times of London for the day in question. In the event that such rate is not published in the Financial Times, it shall mean the London Inter-bank Offered Rate at which Dollar deposits for one month are offered for the nearest day as quoted by National Westminster Bank plc.

Management Committee is defined in Article 8.

Maximum Efficient Rate ("MER") is defined in Article 16.12.

Minimum Exploration Obligations is defined in Article 10.1.

Minimum Financial Commitment means:

- (a) in respect of the First Sub-Period, the total of the amounts set out in Articles 10.2(d) and 10.2(e); and
- (b) in respect of the Second Sub-Period, the amount set out in Article 10.3(b).

Month means a calendar month according to the Gregorian calendar.

Natural Gas means all gaseous Petroleum and inerts.

Non-Associated Natural Gas means any Natural Gas which is not any Associated Natural Gas.

Notice of Dispute is defined in Article 42.1.

Operator means the entity designated by the **CONTRACTOR** pursuant to Article 5 which, in the name and on behalf of the **CONTRACTOR**, shall carry out all Petroleum Operations. If at any time there exists more than one (1) Operator under this Contract, any reference herein to the term 'Operator' shall be to each Operator with respect to the parts of the Contract Area in which such Operator conducts Petroleum Operations.

Option of Government Participation is defined in Article 4.1.

Party or **Parties** means the **GOVERNMENT** and/or each **CONTRACTOR** Entity and/or the **CONTRACTOR**.

Permits means all licences, permits, consents, authorisations or other permissions, as the context requires.

KS

JBG

Person shall include natural and juristic persons (including corporations and governmental agencies).

Petroleum means:

- (a) any naturally occurring hydrocarbon in a gaseous or liquid state;
- (b) any mixture of naturally occurring hydrocarbons in a gaseous or liquid state;
or
- (c) any Petroleum (as defined in paragraphs (a) and (b) above) that has been returned to a Reservoir.

Petroleum Costs means all costs and expenditure incurred by the **CONTRACTOR** for the Petroleum Operations, and which the **CONTRACTOR** is entitled to recover under this Contract and its Accounting Procedure, including Decommissioning Costs, Development Costs, Exploration Costs, Gas Marketing Costs and Production Costs.

Petroleum Field means a Reservoir or group of Reservoirs within a common geological structure or stratigraphic unit, which may become part of a Production Area pursuant to a Development Plan.

Petroleum Operations means all Exploration Operations, Gas Marketing Operations, Development Operations, Production Operations and Decommissioning Operations, as well as any other activities or operations directly or indirectly related or connected with the said operations (including health, safety and environmental operations and activities) and authorised or contemplated by, or performed in accordance with, this Contract.

Pipeline Costs is defined in Article 33.5.

Production Area means such areas within the Contract Area designated as a production area in an approved Development Plan prepared pursuant to Article 12. For the avoidance of doubt, all superjacent or subjacent strata of the Reservoir in which a Commercial Discovery is located are automatically included in the relevant Production Area.

Production Bonus means any bonus due pursuant to Article 32.3 or 32.4.

Production Costs means all the costs and expenditure incurred by the **CONTRACTOR** in carrying out the Production Operations, including those defined in the Accounting Procedure.

Production Operations means any works, together with all related and auxiliary activities, for the production of Petroleum from the start of Commercial Production, including: extraction, injection, stimulation, pumping, treatment, storage, engineering, operating, servicing, repairing, and maintaining any wells, plants, equipment, pipelines, terminals and any other installations and facilities, and any related operations and auxiliary operations, and storage and transportation of Petroleum from the Production Area to the Delivery Point.

KS

JBG-TK

Production Rental is defined in Article 13.10.

Production Work Program and Budget shall mean the production work program and budget prepared pursuant to Article 13.6.

Profit Crude Oil is defined in Article 26.1.

Profit Natural Gas is defined in Article 26.1.

Profit Petroleum is defined in Article 26.1.

Proposed Contract is defined in Article 14.10(a).

Public Company means a public company duly registered and incorporated in the Kurdistan Region and regulated by the **GOVERNMENT** under the Kurdistan Region Oil and Gas Law.

Public Officer means a civil servant, including a member or employee of a public entity, a member of the Kurdistan National Assembly or a member of the **GOVERNMENT**.

Quarter means a period of three (3) consecutive Months starting on the first day of January, April, July or October respectively.

Reservoir means a subsurface rock formation containing an individual and separate natural accumulation of producible Petroleum characterised by a single natural pressure system.

"R" Factor is defined in Article 26.4.

Royalty is defined in Article 24.

Second Exploration Well is defined in Article 10.3 (b).

Semester means a period of six (6) consecutive Months starting from the first day of January or July respectively.

Senior Representative is defined in Article 42.1(a).

Signature Bonus is defined in Article 32.1.

Subcontractor means any entity of any contracting tier providing services and/or undertaking works relating to the Petroleum Operations directly or indirectly on behalf of, the **CONTRACTOR** or any **CONTRACTOR** Entity.

Sub-Period and Sub-Periods are defined in Article 6.2.

Tax or Taxes means all current or future levies, duties, payments, charges, impositions, imposts, withholdings, fees, taxes (including value added tax or other sales or transaction based tax, corporation tax, income tax, capital gains tax, stamp duty, land tax, registration tax, capital and wealth tax, profit tax, dividend tax or withholdings, transfer tax, customs duties, branch or permanent establishment tax or

KS

JBG / R

withholdings, tax on income from movable capital and fixed tax on transfers) or contributions payable to or imposed by the **GOVERNMENT**.

Work Program means any work program prepared by, or on behalf of, the **CONTRACTOR** pursuant to this Contract and forming part of an Exploration Work Program and Budget and/or an Appraisal Work Program and Budget and/or a Gas Marketing Work Program and Budget and/or a Development Work Program and Budget and/or a Production Work Program and Budget.

Vice-Chairman is defined in Article 8.1.

- 1.2 In this Contract, unless the context otherwise requires or is specifically otherwise stated:
- (a) headings are to be ignored;
 - (b) "including" and similar words do not imply any limitations;
 - (c) singular includes plural and vice versa; and
 - (d) reference to an "Article" is to an article of this Contract and to a "Paragraph" is to a paragraph in the Accounting Procedure.

ARTICLE 2 – SCOPE OF THE CONTRACT

- 2.1 This Contract is a production-sharing arrangement with respect to the Contract Area, whereby the **GOVERNMENT** has the right, pursuant to the Constitution of Iraq, to regulate and oversee Petroleum Operations within the Contract Area.

The purpose of this Contract is to define the respective rights and obligations of the Parties and the terms and conditions under which the **CONTRACTOR** shall carry out all the Petroleum Operations.

By entering into this Contract, the **GOVERNMENT** restates to the **CONTRACTOR** and amends the grants contained in the Original Contract of the exclusive right and authority to conduct all Petroleum Operations in the Contract Area as detailed in Article 3.

- 2.2 Upon the **CONTRACTOR's** request, the **GOVERNMENT** shall provide and/or procure all Permits relating to the Petroleum Operations required by the **CONTRACTOR** to fulfil its obligations under this Contract, including those relating to any extension and renewal periods and including those required by the Government of Iraq. The **GOVERNMENT** (i) represents and warrants to the **CONTRACTOR** that it has not done and has not omitted to do anything that would cause the cancellation or suspension of this Contract or any Permit granted under this Article 2.2 or pursuant to this Contract; and (ii) covenants that it will not do, or omit to do, anything that would cause the cancellation or suspension of this Contract or any Permit granted under this Article 2.2 or pursuant to this Contract. For the avoidance of doubt, nothing in this Article shall affect the rights and obligations of the Parties pursuant to Article 43.

- 2.3 The **CONTRACTOR** shall conduct all Petroleum Operations within the Contract Area at its sole cost, risk and peril on behalf of the **GOVERNMENT**, pursuant to this Contract, including the following operations:
- (a) **Technical Services**
Implementation of all technical, human and material resources reasonably required for execution of the Petroleum Operations, in accordance with prudent international petroleum industry practice.
 - (b) **Financial Services**
The responsibility for funding the Exploration Operations and, in the event of a Commercial Discovery, Development, Production and Decommissioning Operations, pursuant to this Contract.

For the funding of Petroleum Operations, each **CONTRACTOR** Entity shall be entitled to have recourse to external financing from either its Affiliated Companies or from any third parties.
 - (c) **Administrative Services**
Implementation of all appropriate management and administration techniques for execution of the Petroleum Operations under this Contract, in accordance with prudent international petroleum industry practice.
- 2.4 During the term of this Contract, the **CONTRACTOR** shall be responsible to the **GOVERNMENT** for the conduct of Petroleum Operations within the Contract Area pursuant to the terms of this Contract.
- 2.5 Natural resources other than Petroleum shall be excluded from the scope of this Contract, even if the **CONTRACTOR** discovers any such resources when executing its obligations pursuant to this Contract.
- 2.6 The **CONTRACTOR** shall only be entitled to recover Petroleum Costs incurred under this Contract in the event of a Commercial Discovery. Recovery of Petroleum Costs shall occur within the limits provided under Article 25.
- 2.7 During the term of this Contract, Profit Crude Oil and/or Profit Natural Gas produced from Petroleum Operations shall be shared between the Parties in accordance with the provisions of Article 26.
- 2.8 For the execution of Petroleum Operations under this Contract, the **CONTRACTOR** shall have the right to:
- (a) freely access and operate within the Contract Area, as well as any facilities associated with the Petroleum Operations, wherever they may be located;
 - (b) freely use access roads located within the Contract Area and outside the Contract Area for the construction, installation, maintenance, operation and

WRS

JRG

removal of pipelines and other facilities required for the Petroleum Operations;

- (c) freely use sand, water, electricity and any other natural resources located inside or outside the Contract Area for the Petroleum Operations;
- (d) use any qualified foreign and local personnel and/or Subcontractors required for the conduct of Petroleum Operations in accordance with Articles 22 and 23. Any foreign personnel working in the Kurdistan Region shall require prior authorisation of the **GOVERNMENT** (such authorisation not to be unreasonably delayed or withheld) and the **GOVERNMENT** shall obtain any authorisation required by the Government of Iraq;
- (e) import any goods, materials, equipment and/or services required for the Petroleum Operations in accordance with Articles 19, 22 and 30; and
- (f) freely use land or property belonging to the Kurdistan Region, and the **GOVERNMENT** will assist the **CONTRACTOR** with facilitating the use by the **CONTRACTOR** of any private property in the Kurdistan Region.

ARTICLE 3 – CONTRACT AREA

The initial Contract Area covers the Sheikh Adi Block and extends over an area of two hundred and fifty one square kilometres (251 km²), as detailed and indicated on the map attached in Annex A.

The **GOVERNMENT**, by execution of this Contract, hereby validates and approves the foregoing co-ordinates of the Contract Area.

The total area of the Contract Area may be reduced only in accordance with the provisions of this Contract.

ARTICLE 4 – GOVERNMENT PARTICIPATION

Government Interest

- 4.1 The **GOVERNMENT** shall participate in this Contract through a Public Company, effective from the Effective Date in respect of the entire Contract Area with an undivided interest in the Petroleum Operations and all the other rights, duties, obligations and liabilities of the **CONTRACTOR** (save as provided in and subject to this Article 4) under this Contract in respect of the Contract Area, of twenty per cent (20%) (the "**Government Interest**").
- 4.2 The Public Company shall not have any liability to the **CONTRACTOR** to contribute its Government Interest share of all Petroleum Costs, whenever those Petroleum Costs may be incurred, and its Government Interest share of such

Petroleum Costs shall be the responsibility of **Gulf Keystone Petroleum International Limited** for the duration of this Contract, provided always that **Gulf Keystone Petroleum International Limited** shall be entitled (through the **CONTRACTOR**) to recover all such Petroleum Costs in accordance with Article 25. For the avoidance of doubt, the Public Company shall contribute its share of Production Bonuses attributable to the Government Interest and payable pursuant to Articles 32.3 and 32.4.

For the purposes of Article 37 of the Kurdistan Region Oil and Gas Law, the Government Interest shall be deemed to be held by the **GOVERNMENT** and in accordance with the principle in Article 16.13, the Public Company will be individually and separately liable (and not jointly and severally liable with the **CONTRACTOR** Entities) to the **GOVERNMENT** for its obligations, duties and liabilities under this Contract and the provisions of Article 4.5 shall apply.

- 4.3 The Public Company may, at its discretion, assign part or all of its Government Interest to a third party or parties which is another Public Company duly authorised by the **GOVERNMENT**, provided that in no event shall a transfer be made which would result in the transferor or transferee holding less than a five per cent (5%) participating interest.

In the event of such an assignment to another Public Company, for the purposes of Article 37 of the Kurdistan Region Oil and Gas Law, the Government Interest so assigned shall be deemed to be held by the **GOVERNMENT** and in accordance with the principle in Article 16.13, the Public Company to which such Government Interest is transferred will be individually and separately liable (and not jointly and severally liable with the **CONTRACTOR** Entities) to the **GOVERNMENT** for its obligations, duties and liabilities under this Contract and the provisions of Article 4.4 shall apply.

- 4.4 Any failure by the Public Company to perform any of its obligations or to satisfy any of its duties or liabilities under this Contract shall not be considered as a default of the **CONTRACTOR** Entities and shall in no case be invoked by the **GOVERNMENT** to terminate this Contract or exercise any other rights or remedies in respect of such default that may be available to it.

The capacity of a Public Company, as it may arise pursuant to the provisions of this Contract, shall in no event cancel or affect the rights of the **CONTRACTOR** Entities to seek to settle a dispute or to refer such dispute to arbitration or expert determination in accordance with the provisions of Article 42.

- 4.5 A Public Company may assign part or all of its Government Interest to a third party or parties (not being a Public Company) and for the avoidance of doubt the provisions of Articles 39.1, 39.2 and 39.3 shall not apply. Any such assignee shall have the same rights and responsibilities held by the Public Company prior to the assignment.

For the avoidance of doubt, following any assignment by a Public Company part or all of a Government Interest to a third party which is not a Public Company, in accordance with the provisions of this Article 4, the provisions of Articles 39.1, 39.2 and 39.3 shall apply to any subsequent assignment of such interest.

Joint Operating Agreement Provisions

- 4.6 Any Joint Operating Agreement entered into in relation to this Contract shall be consistent with the principles of this Article 4 and shall provide as follows:
- (a) all decisions of any operating committee established under such Joint Operating Agreement shall require the affirmative vote of an agreed percentage of participating interests held thereunder, which in any event shall be not more than seventy five per cent (75%); and
 - (b) in the event of a proposed transfer by any **CONTRACTOR** Entity of part of a participating interest under such Joint Operating Agreement:
 - (i) no transfer may be made which would result in the transferor or transferee holding less than a five per cent (5%) participating interest;
 - (ii) the proposed third party assignee must demonstrate to the reasonable satisfaction of each of the extant **CONTRACTOR** Entities that it has the financial capability to perform its payment obligations under the Contract and under the Joint Operating Agreement; and
 - (iii) the proposed third party assignee shall enter into an instrument satisfactory to each of the extant **CONTRACTOR** Entities so as to assume and to perform the obligations of the transferor.

ARTICLE 5 – OPERATOR

- 5.1 The **CONTRACTOR** hereby designates **Gulf Keystone Petroleum International Limited** to act as the Operator on behalf of the **CONTRACTOR** for the execution of the Petroleum Operations. The **CONTRACTOR** shall at any time have the right to appoint another entity as the Operator, upon giving the **GOVERNMENT** not less than thirty (30) days prior written notice of such appointment.
- 5.2 The **CONTRACTOR** shall submit to the **GOVERNMENT** for comment any agreement regarding or regulating the Operator's appointment and its conduct of Petroleum Operations on behalf of the **CONTRACTOR** pursuant to this Contract prior to execution of such agreement.
- 5.3 In the event of the occurrence of either of the following, the **GOVERNMENT** may require the **CONTRACTOR** to appoint another entity as Operator as soon as is reasonably practicable:
- (a) if an order has been passed in court declaring the bankruptcy, liquidation, or dissolution of the Operator; or
 - (b) if the Operator terminates the activities under this Contract delegated to it by the **CONTRACTOR** or a material proportion thereof, and, as a result the **CONTRACTOR** fails to fulfil its obligations under the Contract.

ARTICLE 6 – TERM OF THE CONTRACT

- 6.1 This Contract comprises an Exploration Period and a Development Period, as defined below:

Exploration Period

- 6.2 The Exploration Period shall be for an initial term of five (5) Contract Years, extendable on a yearly basis (as provided in Articles 6.5 and 6.6) up to a maximum period of seven (7) Contract Years, starting from the Effective Date. The initial term of five (5) years shall be subdivided in two (2) sub-periods as follows:

- (a) an initial sub-period of three (3) Contract Years ("First Sub-Period"); and
 - (b) a second sub-period of two (2) Contract Years ("Second Sub-Period"),
- each a "Sub-Period" and collectively "Sub-Periods".

It is understood that the right of the **CONTRACTOR** to accede to the next Sub-Period or any extension thereof shall be subject to fulfilment of the Minimum Exploration Obligations or minimum work obligations applicable to the previous Sub-Period or extension thereof (as the case may be).

- 6.3 During the Exploration Period, the **CONTRACTOR** shall pay to the **GOVERNMENT**, in arrears, an annual surface rental for the Contract Area, as may be reduced by relinquishment from time to time pursuant to Article 7, of ten Dollars (US\$10) per square kilometre per Contract Year ("**Exploration Rental**"). Such Exploration Rental shall be considered as a Petroleum Cost and shall be recovered by the **CONTRACTOR** in accordance with the provisions of Articles 1 and 25.
- 6.4 If the **CONTRACTOR** decides not to enter into the Second Sub-Period, it shall notify the **GOVERNMENT** at least thirty (30) days prior to the expiry of the First Sub-Period and, provided that the data from the First Exploration Well demonstrates that there is no reasonable technical case for drilling the Second Exploration Well in the Contract Area, the Exploration Period shall expire at the end of the First Sub-Period, unless the First Sub-Period has been extended pursuant to Article 6.5 and/or Article 6.6.
- 6.5 If the **CONTRACTOR** has fulfilled its Minimum Exploration Obligations for a Sub-Period of the Exploration Period but considers that additional work is required prior:
- (a) to deciding to submit an Appraisal Work Program and Budget as provided under Article 12.2 in respect of a Discovery, or
 - (b) to deciding to declare a Discovery as a Commercial Discovery in accordance with Article 12.6 (a) or 14.5 (a), which additional work may include the preparation and/or execution of an Appraisal Work Program and Budget as provided under Article 12.2 and/or Gas Marketing Operations,

the **CONTRACTOR** will automatically be entitled to extensions, each of one (1) Contract Year, of the then current Sub-Period, up to the end of the maximum

Exploration Period of seven (7) Contract Years, (as provided in Article 6.2). The **CONTRACTOR**'s notification of its intention to exercise such extension and its duration shall be submitted in writing to the **GOVERNMENT** at least thirty (30) days prior to the end of the then current Sub-Period or the end of the then current extension (as the case may be).

- 6.6 Without prejudice to Article 6.5, upon expiry of the initial term of the Exploration Period, if it considers it has not completed its exploration evaluation of the Contract Area, the **CONTRACTOR** shall be entitled to an extension of the Second Sub-Period, provided it notifies the **GOVERNMENT** in writing at least thirty (30) days prior to the end of such Sub-Period, together with a proposal for a minimum work obligation for such extension. Any such extension shall not exceed one (1) Contract Year. Upon the expiry of such extension, if it considers it has still not completed its evaluation of the Contract Area, the **CONTRACTOR** shall be entitled to a further extension of one (1) Contract Year provided that it notifies the **GOVERNMENT** in writing at least thirty (30) days prior to the end of the original extension. The right of the **CONTRACTOR** to accede to the further extension shall be subject to fulfilment of the minimum work obligations applicable to the original extension.
- 6.7 Subject to Article 6.4, at any time during the Exploration Period, upon thirty (30) days prior notice to the **GOVERNMENT**, the **CONTRACTOR** shall have the right to withdraw from this Contract provided that the outstanding Minimum Exploration Obligations relating to the then current Sub-Period have been completed in accordance with the Contract, or it has paid to the **GOVERNMENT** the amounts specified in Article 10.2 or Article 10.3, whichever is applicable to the then current Sub-Period.
- 6.8 If no Commercial Discovery has been made at the end of the Exploration Period (including any extensions thereof) this Contract shall terminate.
- 6.9 If a Discovery is made within the maximum Exploration Period of seven (7) Contract Years (as provided in Article 6.2), and if the **CONTRACTOR** considers it has not had time to complete sufficient Gas Marketing Operations to declare the Discovery a Commercial Discovery pursuant to Article 12.6 (a) or 14.5 (a), the **CONTRACTOR** shall be entitled to request an extension of the Exploration Period (notwithstanding the maximum period provided in Article 6.2), provided it so requests the **GOVERNMENT** in writing at least thirty (30) days prior to the end of the maximum Exploration Period, together with a proposal for Gas Marketing Operations to be undertaken during such extension. If granted by the **GOVERNMENT**, any such extension shall not exceed two (2) Contract Years. Upon the expiry of such extension, if it considers it has still not completed its Gas Marketing Operations relating to such Discovery, the **CONTRACTOR** shall be entitled to request a further extension of two (2) Contract Years provided that it so requests the **GOVERNMENT** in writing at least thirty (30) days prior to the end of the original extension, together with a proposal for Gas Marketing Operations to be undertaken during such extension.

KS

ARTICLE 7 – RELINQUISHMENTS

- 7.1 Subject to the provisions of Articles 7.2 and 7.3, the **CONTRACTOR** shall surrender portions of the Contract Area as follows:
- (a) at the end of the initial term of the Exploration Period referred to in Article 6.2, twenty five per cent (25%) of the net area determined by subtracting the Production Areas from the initial Contract Area;
 - (b) at the end of the first extension period entered into under this Contract after the end of the initial term of the Exploration Period referred to in Article 6.2, an additional twenty five per cent (25%) of the net area determined by subtracting the Production Areas from the remaining part of the Contract Area; and
 - (c) at the end of the Exploration Period (including all extensions thereof), all of the remaining area that is not in a Production Area.
- 7.2 For the application of Article 7.1:
- (a) any areas already relinquished pursuant to Article 7.4 shall be deducted from areas to be surrendered; and
 - (b) the **CONTRACTOR** shall have the right to determine the area, shape and location of the Contract Area to be kept, provided that such surrendered portions of the Contract Area shall be in contiguous blocks.
- 7.3 If the relinquishment referred to in Article 7.1 can only be achieved by including part of an Appraisal Area, then these percentages shall be reduced to exclude such Appraisal Area.
- 7.4 During the Exploration Period, the **CONTRACTOR** may at the end of each Contract Year surrender all or any part of the Contract Area by written notice sent to the **GOVERNMENT** at least thirty (30) days in advance of the proposed date of surrender, subject to the provisions of this Article 7.4. Such voluntary surrenders during the Exploration Period shall be deemed equal to the obligatory relinquishments referred to under Article 7.1. This Contract shall terminate in the event of the surrender of the entire Contract Area.
- 7.5 No surrender provided under Article 7.4 shall exempt the **CONTRACTOR** from its outstanding obligations under this Contract. In the event the **CONTRACTOR** elects to surrender the entire Contract Area without having fulfilled the Minimum Exploration Obligations relating to the then current Sub-Period as provided in Article 10.2 or Article 10.3, the **CONTRACTOR** shall pay to the **GOVERNMENT** the relevant outstanding amount as detailed in Article 10.2 or Article 10.3, as the case may be.
- 7.6 The boundaries of the portion of the Contract Area to be relinquished by the **CONTRACTOR** shall be communicated to the **GOVERNMENT** by written notice at least thirty (30) days in advance of the relevant date for relinquishment, pursuant to Article 7.1.

KS

- 7.7 The relinquishment obligation of the **CONTRACTOR** for the initial term of the Exploration Period under Article 7.1(a) has been satisfied.

ARTICLE 8 – MANAGEMENT COMMITTEE

- 8.1 A Management Committee shall be established within thirty (30) days following the Effective Date for the purpose of providing orderly direction of all matters pertaining to the Petroleum Operations and the Work Programs. Within such period, each of the **GOVERNMENT** and the **CONTRACTOR** shall by written notice nominate its respective members of the Management Committee and their deputies.

The Management Committee shall comprise two (2) members designated by the **GOVERNMENT** and two (2) members designated by the **CONTRACTOR**.

Upon ten (10) days notice, each of the **GOVERNMENT** and the **CONTRACTOR** may substitute any of its members of the Management Committee. The chairman of the Management Committee shall be one of the members designated by the **GOVERNMENT** (the "**Chairman**"). The vice-chairman of the Management Committee shall be one of the members designated by the **CONTRACTOR** (the "**Vice-Chairman**"). In the absence of the Chairman, the Vice-Chairman shall chair the meeting.

Each Party shall have the right to invite a reasonable number of observers as deemed necessary to attend the meetings of the Management Committee in a non-voting capacity.

- 8.2 The Management Committee shall review, deliberate, decide and give advice, suggestions and recommendations to the Parties regarding the following subject matters:

- (a) Work Programs and Budgets;
- (b) the **CONTRACTOR**'s activity reports;
- (c) production levels submitted by the **CONTRACTOR**, based on prudent international petroleum industry practice;
- (d) Accounts of Petroleum Costs;
- (e) procurement procedures for potential Subcontractors, submitted by the **CONTRACTOR** in accordance with Article 19.3;
- (f) Development Plan and Budget for each Production Area;
- (g) any matter having a material adverse affect on Petroleum Operations;
- (h) any other subject matter of a material nature that the Parties are willing to consider.

- 8.3 Each of the **GOVERNMENT** and the **CONTRACTOR** shall have one (1) vote in the Management Committee. The Management Committee cannot validly deliberate

KS

JBC TK

unless each of the **GOVERNMENT** and the **CONTRACTOR** is represented by at least one (1) of its members or its deputy.

The Management Committee shall attempt to reach unanimous agreement on any subject matter being submitted. In the event the Management Committee cannot reach unanimous agreement, a second meeting shall be held within fourteen (14) days to discuss the same subject matter and attempt to reach a unanimous decision.

Except as provided for in Article 8.4, in the event that no agreement is reached at the second meeting, the matter will be referred by the **CONTRACTOR** to the Minister of Natural Resources to reach an agreement, in the absence of which the matter will be referred to an Expert as defined in and in accordance with Article 42.2.

- 8.4 In the event that, during the Exploration Period and until the completion of the Development Plan, no agreement is reached at the second meeting of the Management Committee, as provided for in Article 8.3, or unanimous approval is not obtained, as required pursuant to Article 8.5; then the proposal made by the **CONTRACTOR** shall be deemed adopted by the Management Committee.
- 8.5 Subject to Articles 8.3 and 8.4, unanimous approval of the Management Committee shall be required for:
- (a) approval of, and any material revision to, any Exploration Work Program and Budget prepared after the first Commercial Discovery in the Production Area relating to such Commercial Discovery;
 - (b) approval of, and any material revision to, the Development Plan, the production schedule, lifting schedule and Development and Production Work Programs and Budgets;
 - (c) establishment of rules of procedure for the Management Committee;
 - (d) any insurance issues over which the Management Committee has authority;
 - (e) approval of, and any material revision to, procurement procedures for goods and/or services, submitted by the **CONTRACTOR** in accordance with Article 19.3 (unless such procedures have been deemed approved by the Management Committee in accordance with Article 19.3);
 - (f) approval of, and any material revision to, any proposed pipeline project, submitted by **CONTRACTOR** in accordance with Article 33.3;
 - (g) approval of a first rate bank in which to place the Decommissioning Reserve Fund, in accordance with Article 38.1;
 - (h) approval of, and any material revision to, any proposed Decommissioning Plan submitted pursuant to Article 38.7 on any Decommissioning Work Program and Budget or Gas Marketing Work Program and Budget;
 - (i) any Terms of Reference which are required to be prepared and agreed for the purposes of expert determination, pursuant to Article 42.2;

- (j) approval of any costs in excess of ten per cent (10%) above any Budget; and
 - (k) any matter having a material adverse effect on Petroleum Operations.
- 8.6 Ordinary meetings of the Management Committee shall take place in the Kurdistan Region, alternately at the offices of the **GOVERNMENT** and those of the **CONTRACTOR**, or at any other location agreed between Parties, at least twice a Contract Year prior to the date of the first Commercial Discovery and three times a Contract Year thereafter.
- 8.7 Either the **GOVERNMENT** or the **CONTRACTOR** may call an extraordinary meeting of the Management Committee to discuss important issues or developments related to Petroleum Operations, subject to giving reasonable prior notice, specifying the matters to be discussed at the meeting, to the other Party. The Management Committee may from time to time make decisions by correspondence provided all the members have indicated their approval of such decisions in such correspondence.
- 8.8 Unless at least one (1) member or its deputy of each of the **GOVERNMENT** and the **CONTRACTOR** is present, the Management Committee shall be adjourned for a period not to exceed eight (8) days. The Party being present shall then notify the other Party of the new date, time and location for the meeting.
- 8.9 The agenda for meetings of the Management Committee shall be prepared by the **CONTRACTOR** in accordance with instructions of the Chairman and communicated to the Parties at least fifteen (15) days prior to the date of the meeting. The agenda shall include any subject matter proposed by either the **GOVERNMENT** or the **CONTRACTOR**. Decisions of the Management Committee will be made at the meetings. The **CONTRACTOR** shall be responsible for preparing and keeping minutes of the decisions made at the meetings. Copies of such minutes shall be forwarded to each Party for review and approval. Each Party shall review and approve such minutes within ten (10) days of receipt of the draft minutes. A Party who fails to notify in writing its approval or disapproval of such minutes within such ten (10) days shall be deemed to have approved the minutes.
- 8.10 If required, the Management Committee may request the creation of a technical sub-committee or any other sub-committee to assist it. Any such sub-committee shall be composed of a reasonable number of experts from the **GOVERNMENT** and the **CONTRACTOR**. After each meeting, the technical sub-committee or any other sub-committee shall deliver a written report to the Management Committee.
- 8.11 Any costs and expenditure incurred by the **CONTRACTOR** for meetings of the Management Committee or any technical sub-committee or any other sub-committee shall be considered as Petroleum Costs and shall be recovered by the **CONTRACTOR** in accordance with the provisions of Articles 1 and 25.

ARTICLE 9 – GUARANTEES

- 9.1 Each **CONTRACTOR** Entity shall provide the **GOVERNMENT**, if so required by the latter pursuant to written notice received by the **CONTRACTOR** Entity within thirty (30) days of the Effective Date, with a corporate guarantee in a form as shall be

agreed in good faith between the **GOVERNMENT** and each **CONTRACTOR** Entity not later than ninety (90) days after the Effective Date, provided that such corporate guarantee shall be given only in respect of the Minimum Financial Commitment for the First Sub-Period and shall expire automatically upon completion of the performance of the Minimum Exploration Obligations set out in Article 10.2(d) and (e) or expenditure of such Minimum Financial Commitment, whichever is the earlier.

9.2 Not later than sixty (60) days after the commencement of the Second Sub-Period, each **CONTRACTOR** Entity shall provide the **GOVERNMENT**, if so required by the latter pursuant to written notice received by the **CONTRACTOR** Entity within thirty (30) days of such commencement date, with a corporate guarantee in:

- (a) the form substantially agreed between the **GOVERNMENT** and each **CONTRACTOR** Entity for the First Sub-Period, if any, subject to making the changes necessary in order for the corporate guarantee to apply only to the Second Sub-Period, or
- (b) if there is no agreed form, in a form as shall be agreed in good faith between the **GOVERNMENT** and each **CONTRACTOR** Entity not later than ninety (90) days after the **GOVERNMENT**'s notice,

and provided in each case that such corporate guarantee shall be given only in respect of the Minimum Financial Commitment for the Second Sub-Period and that such corporate guarantee shall expire automatically upon completion of the performance of the Minimum Exploration Obligations set out in Article 10.3 (b) or expenditure of such Minimum Financial Commitment, whichever is the earlier.

9.3 In the event of an assignment by a **CONTRACTOR** Entity in accordance with Article 39, the relevant third party assignee shall provide the **GOVERNMENT**, if so required by the latter pursuant to written notice given to such assignee within thirty (30) days of the Effective Date, with a corporate guarantee in the form agreed pursuant to Article 9.1 or 9.2, as applicable to the then current Sub-Period or, in the absence of any such agreed form of corporate guarantee, in a form as shall be agreed in good faith between the **GOVERNMENT** and such assignee not later than ninety (90) days after the effective date of the assignment, provided that such corporate guarantee shall be given only in respect of the Minimum Financial Commitment for the then current Sub-Period, and shall expire automatically upon completion of the performance of the Minimum Exploration Obligations set out in Articles 10.2(d) and (e) or Article 10.3(b), as the case may be, or expenditure of such Minimum Financial Commitment, whichever is the earlier.

ARTICLE 10 – MINIMUM EXPLORATION WORK OBLIGATIONS

10.1 The **CONTRACTOR** shall start Exploration Operations within thirty (30) days of Management Committee approval of the Exploration Work Program and Budget in accordance with Article 8. The **CONTRACTOR** shall perform geological, geophysical and/or drilling works as provided under Articles 10.2 to 10.3 (the "**Minimum Exploration Obligations**"). If applicable, the said Minimum Exploration

Obligations shall be performed during each Sub-Period in accordance with prudent international petroleum industry practice.

10.2 During the First Sub-Period, the **CONTRACTOR** shall:

- (a) carry out geological and geophysical studies, comprising the following:
 - (i) the compilation of a technical database;
 - (ii) the performance of a remote sensing study;
 - (iii) a field visit to verify initial geological and geophysical work and remote sensing results and plan for two dimensional seismic acquisition; and
- (b) carry out a data search for existing data specific to this Contract Area, comprising the following:
 - (i) well data, if available, for example, electric logs;
 - (ii) seismic data and gravity data, if available; and
 - (iii) reprocess seismic data, if available.
- (c) perform field work comprising structural, stratigraphic and lithologic mapping and sampling;
- (d) acquire, process and interpret one hundred (100) line kilometres of two dimensional seismic data, committing for this purpose a minimum financial amount of one million Dollars (US\$1,000,000); and
- (e) drill one (1) Exploration Well (the "**First Exploration Well**") committing for this purpose a minimum financial amount of thirteen million Dollars (US\$13,000,000).

10.3 During the Second Sub-Period, the **CONTRACTOR** shall:

- (a) acquire, process and interpret two hundred (200) line kilometres of two dimensional seismic data within the Contract Area, committing for this purpose a minimum financial amount of four million Dollars (US\$4,000,000); and
- (b) drill one (1) Exploration Well (the "**Second Exploration Well**") committing for this purpose a minimum financial amount of seven million Dollars (US\$7,000,000).

10.4 Notwithstanding the provisions in Articles 10.2 to 10.3, for the execution of the Minimum Exploration Obligations under Articles 10.2 to 10.3, it is agreed as follows:

- (a) Minimum Exploration Obligations in the Second Sub-Period shall only apply in the event the **CONTRACTOR** has not elected to notify the **GOVERNMENT** that it will not enter into the Second Sub-Period, in accordance with and subject to Article 6.4.
- (b) Subject to Article 10.4(a), the **CONTRACTOR** shall be required to meet its Minimum Exploration Obligations for the applicable Sub-Period, even if this

KCS

JBC JK

entails exceeding the Minimum Financial Commitment for such Sub-Period. If the **CONTRACTOR** has satisfied its Minimum Exploration Obligations without having spent the total Minimum Financial Commitment for such Sub-Period, it shall be deemed to have satisfied its Minimum Exploration Obligations for such Sub-Period.

- (c) Each Exploration Well shall be drilled to the depth agreed by the Management Committee unless:
- (i) the formation is encountered at a lesser depth than originally anticipated;
 - (ii) basement is encountered at a lesser depth than originally anticipated;
 - (iii) in the **CONTRACTOR**'s sole opinion continued drilling of the relevant Exploration Well presents a hazard due to the presence of abnormal or unforeseen conditions;
 - (iv) insurmountable technical problems are encountered rendering it impractical to continue drilling with standard equipment; or
 - (v) petroleum formations are encountered whose penetration requires laying protective casing that does not enable the depth agreed by the Management Committee to be reached.

If drilling is stopped for any of the foregoing reasons, the Exploration Well shall be deemed to have been drilled to the depth agreed by the Management Committee and the **CONTRACTOR** shall be deemed to have satisfied its Minimum Exploration Obligations in respect of the Exploration Well.

- (d) Any geological or geophysical work carried out or any seismic data acquired, processed or interpreted or any Exploration Well drilled or any other work performed in excess of the Minimum Exploration Obligations and/or any amounts spent in excess of the total Minimum Financial Commitment in any given Sub-Period, shall be carried forward to the next Sub-Period or any extension period and shall be taken into account to satisfy the Minimum Exploration Obligations and/or the total Minimum Financial Commitment for such subsequent Sub-Period or extension period.
- (e) For the avoidance of doubt, if: (i) in the First Sub-Period, the **CONTRACTOR** performs any of the Minimum Exploration Obligations prescribed for the Second Sub-Period in Article 10.3; and (ii) the **CONTRACTOR** has not elected to notify the **GOVERNMENT** that it will not enter into the Second Sub-Period (in accordance with and subject to Article 6.4), the performance of such Minimum Exploration Obligations shall be deemed to satisfy the same Minimum Exploration Obligations for the Second Sub-Period.

ARTICLE 11 – EXPLORATION WORK PROGRAMS AND BUDGETS

- 11.1 Within forty-five (45) days following the Effective Date, the **CONTRACTOR** shall prepare and submit to the Management Committee a proposed work program and budget relating to Exploration Operations (the “**Exploration Work Program and Budget**”) for the remainder of the Calendar Year. Thereafter, no later than 1 October in each Calendar Year, the **CONTRACTOR** shall submit a proposed Exploration Work Program and Budget to the Management Committee for the following Calendar Year.
- 11.2 Each Exploration Work Program and Budget shall include details of, but not be limited to, the following:
- (a) work to be undertaken;
 - (b) materials, goods and equipment to be acquired;
 - (c) cost estimate of services to be provided, including services by third parties and/or Affiliated Companies of any **CONTRACTOR** Entity; and
 - (d) estimated expenditures, broken down by cost centre in accordance with the Accounting Procedure.
- 11.3 The Management Committee shall meet within sixty (60) days following its receipt of **CONTRACTOR**'s proposal to examine and approve the Exploration Work Program and Budget.
- 11.4 If the **GOVERNMENT** requests any modification to the Exploration Work Program and Budget, the Management Committee shall meet to discuss the Exploration Work Program and Budget and proposed modifications thereto within the sixty (60) day period referred to in Article 11.3. The **CONTRACTOR** shall communicate its comments on any such requested modifications to the **GOVERNMENT** at the meeting of the Management Committee or in writing prior to such meeting.
- 11.5 The **CONTRACTOR** shall be authorised to make expenditures not budgeted in an approved Exploration Work Program and Budget provided that the aggregate amount of such expenditures shall not exceed ten per cent (10%) of the approved Exploration Work Program and Budget in any Calendar Year and provided further that such excess expenditures shall be reported as soon as is reasonably practicable to the Management Committee. For the avoidance of doubt all excess expenditures shall be recovered by the **CONTRACTOR** in accordance with the provisions of Articles 1 and 25, provided that any excess expenditures above the ten per cent (10%) limit shall only be recovered with the unanimous approval of the Management Committee.
- 11.6 In cases of emergency, the **CONTRACTOR** may incur such additional expenditures as it deems necessary to protect life, environment or property. Such additional expenditures shall be reported promptly to the Management Committee. For the avoidance of doubt, such additional expenditure shall be considered Petroleum Costs and shall be recovered by the **CONTRACTOR** in accordance with the provisions of Articles 1 and 25.

KS

SABG TR

ARTICLE 12 – DISCOVERY AND DEVELOPMENT

- 12.1 If the drilling of an Exploration Well results in a Discovery, the **CONTRACTOR** shall notify the **GOVERNMENT** within forty-eight (48) hours of completing tests confirming the presumed existence of such Discovery or within such longer period as the **CONTRACTOR** reasonably requires to determine whether or not there is a Discovery. Within thirty (30) days following notification of the said Discovery, the **CONTRACTOR** shall present to the Management Committee all technical data then available together with its opinion on the commercial potential of the said Discovery (the "**Discovery Report**"). The **CONTRACTOR** shall provide in a timely manner such other information relating to the Discovery as the **GOVERNMENT** may reasonably request.

Appraisal Work Program and Budget

- 12.2 If, pursuant to Article 12.1, the **CONTRACTOR** considers that the Discovery has commercial potential it shall, within ninety (90) days following notification to the **GOVERNMENT** of the Discovery, submit an appraisal program in respect of the Discovery (the "**Appraisal Work Program and Budget**") to the Management Committee. The Management Committee shall examine the Appraisal Work Program and Budget within thirty (30) days of its receipt. If the **GOVERNMENT** requests any modification to the Appraisal Work Program and Budget, the Management Committee shall meet to discuss the Appraisal Work Program and Budget and the requested modifications thereto within sixty (60) days from its receipt of the proposed Appraisal Work Program and Budget. The **CONTRACTOR** shall communicate its comments on any such requested modifications to the **GOVERNMENT** at the meeting of the Management Committee or in writing prior to such meeting.

The Appraisal Work Program and Budget shall include the following:

- (a) an appraisal works program and budget, in accordance with prudent international petroleum industry practice;
 - (b) an estimated time-frame for completion of appraisal works; and
 - (c) the delimitation of the area to be evaluated, the surface of which shall not exceed twice (2 x) the surface of the geological structure or prospect to be appraised (the "**Appraisal Area**").
- 12.3 If, following a Discovery, a rig acceptable to the **CONTRACTOR** is available to drill a well, the **CONTRACTOR** may drill any additional Exploration Well or any Appraisal Well deemed necessary by the **CONTRACTOR** before or during the Management Committee's review of the Discovery Report provided in accordance with Article 12.1 or its review of the Appraisal Work Program and Budget.

The **CONTRACTOR** shall be authorised to incur expenditures not budgeted in an approved Appraisal Work Program and Budget provided that the aggregate amount of such expenditures shall not exceed ten per cent (10%) of the approved Appraisal Work Program and Budget in any Calendar Year and provided further that such excess expenditures shall be reported as soon as is reasonably practicable to the Management Committee. For the avoidance of doubt, all excess expenditures shall be

recovered by the **CONTRACTOR** in accordance with the provisions of Articles 1 and 25, provided that any excess expenditures above the ten per cent (10%) limit shall only be recovered with the unanimous approval of the Management Committee.

Appraisal Report

- 12.4 The **CONTRACTOR** shall submit a detailed report relating to the Discovery (the "**Appraisal Report**") to the Management Committee within ninety (90) days following completion of the Appraisal Work Program and Budget.
- 12.5 The Appraisal Report shall include the following:
- (a) geological conditions;
 - (b) physical properties of any liquids;
 - (c) sulphur, sediment and water content;
 - (d) type of substances obtained;
 - (e) Natural Gas composition;
 - (f) production forecast per well; and
 - (g) a preliminary estimate of recoverable reserves.

Declaration of Commercial Discovery

- 12.6 Together with its Appraisal Report, the **CONTRACTOR** shall submit a written statement to the Management Committee specifying that:
- (a) the **CONTRACTOR** has determined that the Discovery is a Commercial Discovery;
 - (b) the **CONTRACTOR** has determined that the Discovery is not a Commercial Discovery;
 - (c) the **CONTRACTOR** has determined that the Discovery is a significant Discovery, which may become a Commercial Discovery subject to additional exploration and/or appraisal works within or outside of the Appraisal Area; or
 - (d) the **CONTRACTOR** has determined that the Discovery is a significant Discovery of Non-Associated Natural Gas, which may become a Commercial Discovery subject to Gas Marketing Operations, in accordance with Article 14.5.
- 12.7 In case the statement of the **CONTRACTOR** corresponds to Article 12.6(c), the **CONTRACTOR** shall submit a Work Program and Budget to the Management Committee within thirty (30) days following such statement. Any well drilled to evaluate the said significant Discovery shall be considered an Exploration Well.

Development Plan

- 12.8 If the Discovery has been declared a Commercial Discovery by the **CONTRACTOR** pursuant to Article 12.6(a) or Article 14.5(a), the **CONTRACTOR** shall submit a proposed Development Plan to the Management Committee within one hundred eighty (180) days following such declaration. The Development Plan shall be in accordance with prudent international petroleum industry practice. Except with the consent of the **GOVERNMENT**, such Development Plan shall include details of the following as applicable:
- (a) the delimitation of the Production Area, taking into account the results of the Appraisal Report regarding the importance of the Petroleum Field within the Appraisal Area;
 - (b) drilling and completion of Development Wells;
 - (c) drilling and completion of water or Natural Gas injection wells;
 - (d) laying of gathering pipelines;
 - (e) installation of separators, tanks, pumps and any other associated production and injection facilities for the production;
 - (f) treatment and transportation of Petroleum to the processing and storage facilities onshore or offshore;
 - (g) laying of export pipelines inside or outside the Contract Area to the storage facility or Delivery Point;
 - (h) construction of storage facilities for Petroleum;
 - (i) plan for the utilisation of Associated Natural Gas;
 - (j) training commitment in accordance with Article 23;
 - (k) a preliminary decommissioning and site restoration plan;
 - (l) all contracts and arrangements made or to be made by the **CONTRACTOR** for the sale of Natural Gas;
 - (m) to the extent available, all contracts and arrangements made or to be made by Persons in respect of that Natural Gas downstream of the point at which it is to be sold by the **CONTRACTOR** and which are relevant to the price at which (and other terms on which) it is to be sold by the **CONTRACTOR** or are otherwise relevant to the determination of the value of it for the purposes of this Contract, but not beyond the point at which it is first disposed of in an Arm's Length Sale;
 - (n) each **CONTRACTOR** Entity's plans for financing its interest, if any; and
 - (o) any other operations not expressly provided for in this Contract but reasonably necessary for Development Operations, Production Operations and delivery of

Petroleum produced, in accordance with prudent international petroleum industry practice.

- 12.9 The Management Committee shall use its best efforts to approve the Development Plan within sixty (60) days after its receipt of such plan. The Development Period for each Commercial Discovery within a Development Plan shall be extended for the number of days in excess of such sixty (60) day period that it takes for the Management Committee to approve the Development Plan. The Development Plan shall be considered approved by the **GOVERNMENT** if the **GOVERNMENT**, through its representatives on the Management Committee, indicates its approval in writing.
- 12.10 If the **GOVERNMENT** requests any modifications to the Development Plan, then the Management Committee shall meet within sixty (60) days of receipt by the **CONTRACTOR** of the **GOVERNMENT's** written notification of requested modifications accompanied by all the documents justifying such request, and shall discuss such request. The **CONTRACTOR** shall communicate its comments on any such requested modifications to the **GOVERNMENT** at such meeting or in writing prior to such meeting. Any modification approved by the Management Committee at such meeting or within a further period of thirty (30) days from the date of such meeting shall be incorporated into the Development Plan which shall then be deemed approved and adopted.
- 12.11 If the **CONTRACTOR** makes several Commercial Discoveries within the Contract Area each such Commercial Discovery will have a separate Production Area. The **CONTRACTOR** shall be entitled to develop and to produce each Commercial Discovery and the **GOVERNMENT** shall provide the appropriate Permits covering each Production Area. In case the area covered by the Commercial Discovery extends beyond the boundaries of the Contract Area, and to the extent such area outside the Contract Area is not the subject of a Petroleum Contract (as defined in the Kurdistan Region Oil and Gas Law) with a third party, the provisions of Article 34.2 shall apply.

ARTICLE 13 - DEVELOPMENT AND PRODUCTION WORK PROGRAMS AND BUDGET

- 13.1 Upon the approval of the Development Plan by the Management Committee, the **CONTRACTOR** shall start the Development Operations for the Commercial Discovery in accordance with the Development Plan and prudent international petroleum industry practice.

Approval of Development Works Program and Budget

- 13.2 Within ninety (90) days following approval of the Development Plan by the Management Committee, the **CONTRACTOR** shall prepare and submit to the Management Committee a proposed work program and budget for Development Operations (the "**Development Work Program and Budget**") to be carried out in the Production Area for the duration of the Development Operations. Thereafter, no later than 1 October in each Calendar Year, the **CONTRACTOR** shall submit to the

Management Committee updates in respect of its Development Work Program and Budget. To enable the Management Committee to forecast expenditures, each Development Work Program and Budget shall include details of the following:

- (a) works to be carried out;
 - (b) material and equipment to be acquired by main categories;
 - (c) type of services to be provided, distinguishing between third parties and Affiliated Companies of any **CONTRACTOR** Entity; and
 - (d) categories of general and administrative expenditure.
- 13.3 If any modification to the Development Work Program and Budget is requested by the **GOVERNMENT**, the Management Committee shall meet to discuss the Development Work Program and Budget and proposed modifications thereto within sixty (60) days from its receipt of the proposed Development Work Program and Budget. The **CONTRACTOR** shall communicate its comments on any such requested modifications to the **GOVERNMENT** at the meeting of the Management Committee or in writing prior to such meeting.
- 13.4 The **CONTRACTOR** shall be authorised to incur expenditures not budgeted in an approved Development Work Program and Budget provided that the aggregate amount of such expenditures shall not exceed ten per cent (10%) of the approved Development Work Program and Budget in any Calendar Year and provided further that such excess expenditures shall be reported as soon as is reasonably practicable to the Management Committee. For the avoidance of doubt, all excess expenditures shall be recovered by the **CONTRACTOR** in accordance with the provisions of Articles 1 and 25, provided that any excess expenditures above the ten per cent (10%) limit shall only be recovered with the unanimous approval of the Management Committee.
- 13.5 In cases of emergency, the **CONTRACTOR** may incur such additional expenditures as it deems necessary to protect life, environment or property. Such additional expenditures shall be reported promptly to the Management Committee. For the avoidance of doubt, such additional expenditure shall be considered Petroleum Costs and shall be recovered by the **CONTRACTOR** in accordance with the provisions of Articles 1 and 25.

Approval of Annual Production Works Programs and Budget

- 13.6 No later than 1 October of the Calendar Year preceding the estimated commencement of production pursuant to an approved Development Plan and thereafter no later than 1 October in each Calendar Year, the **CONTRACTOR** shall prepare and submit to the Management Committee a proposed work program and budget for Production Operations (the "**Production Work Program and Budget**") for the following Calendar Year. To enable the Management Committee to forecast expenditures, the Production Work Program and Budget shall include details of the following:

- (a) works to be carried out;

KS

JBC
TP

- (b) material and equipment to be acquired by main categories;
 - (c) type of services to be provided, distinguishing between third parties and Affiliated Companies of any **CONTRACTOR** Entity; and
 - (d) categories of general and administrative expenditure.
- 13.7 If any modification to the Production Work Program and Budget is requested by the **GOVERNMENT**, the Management Committee shall meet to discuss the Production Work Program and Budget and proposed modifications thereto within sixty (60) days from its receipt of the proposed Production Work Program and Budget. The **CONTRACTOR** shall communicate its comments on any such requested modifications to the **GOVERNMENT** at the meeting of the Management Committee or in writing prior to such meeting.
- 13.8 The **CONTRACTOR** shall be authorised to incur expenditures not budgeted in an approved Production Work Program and Budget provided that the aggregate amount of such expenditures shall not exceed ten per cent (10%) of the approved Production Work Program and Budget in any Calendar Year and provided further that such excess expenditures shall be reported as soon as reasonably practicable to the Management Committee. For the avoidance of doubt, all excess expenditures shall be recovered by the **CONTRACTOR** in accordance with the provisions of Articles 1 and 25, provided that any excess expenditure above the ten per cent (10%) limit shall only be recovered with the unanimous approval of the Management Committee.
- 13.9 In cases of emergency, the **CONTRACTOR** may incur such additional expenditure as it deems necessary to protect life, environment or property. Such additional expenditures shall be reported promptly to the Management Committee. For the avoidance of doubt, such additional expenditure shall be considered Petroleum Costs and shall be recovered by the **CONTRACTOR** in accordance with the provisions of Articles 1 and 25.
- 13.10 After the commencement of Commercial Production the **CONTRACTOR** shall pay to the **GOVERNMENT**, in arrears, an annual surface rental for the Production Area, of one hundred Dollars (US\$100) per square kilometre per Contract Year ("Production Rental"). Such Production Rental shall be considered as a Petroleum Cost and shall be recovered by the **CONTRACTOR** in accordance with the provisions of Articles 1 and 25.

ARTICLE 14 – NATURAL GAS

Use for the Petroleum Operations

- 14.1 To take account of specific conditions relating to Natural Gas and to promote its development in the Kurdistan Region, the **GOVERNMENT** will grant specific benefits to the **CONTRACTOR** on principles materially similar to those contained in this Contract, including, consistent with the Kurdistan Region Oil and Gas Law, more generous provisions in respect of the recovery of Petroleum Costs and the sharing of Profit Petroleum than in respect of Crude Oil.

KS

JAB
TF

- 14.2 The **CONTRACTOR** may freely use any Natural Gas required for the Petroleum Operations. If technically and economically justified, the **CONTRACTOR** shall in priority use any Natural Gas for the purpose of enhancing recovery of Crude Oil in accordance with prudent international petroleum industry practice as follows.

Associated Natural Gas

- 14.3 Any excess Associated Natural Gas produced that is neither used in the Petroleum Operations nor developed and sold by the **CONTRACTOR** shall, upon the **GOVERNMENT**'s written request, be transferred at the first practicable delivery point as agreed between the Parties, free of charge to the **GOVERNMENT**. In such case, the **GOVERNMENT** shall be solely responsible for collecting, treating, compressing and transporting such Natural Gas from such agreed delivery point and shall be solely liable for any additional direct and indirect costs associated therewith. The construction and operation of required facilities as well as the offtake of such excess Associated Natural Gas by the **GOVERNMENT** shall occur in accordance with prudent international petroleum industry practice and shall not interfere with the production, lifting and transportation of the Crude Oil by the **CONTRACTOR**. For the avoidance of doubt, all expenditure incurred by the **CONTRACTOR** up to such agreed delivery point shall be considered Petroleum Costs and shall be recovered by the **CONTRACTOR** in accordance with the provisions of Articles 1 and 25.

In the event the **GOVERNMENT** finds a market for Associated Natural Gas, it shall promptly give written notice to the **CONTRACTOR**, and the **CONTRACTOR** may elect to participate in supplying such Associated Natural Gas within ninety (90) days following notification thereof by the **GOVERNMENT**. If the **CONTRACTOR** elects to participate in supplying Associated Natural Gas to such market, all expenditures associated with any necessary facilities shall be paid for by the **CONTRACTOR**. For the avoidance of doubt, such expenditure incurred shall be considered Petroleum Costs and shall be recovered by the **CONTRACTOR** in accordance with the provisions of Articles 1 and 25.

Non Associated Natural Gas

- 14.4 Until an approved Natural Gas sales contract is executed in respect of all volumes of Natural Gas expected to be produced, the **CONTRACTOR** shall be entitled during the Exploration Period and the Development Period to carry out Gas Marketing Operations.
- 14.5 If, pursuant to Article 12.6(d), the **CONTRACTOR** has determined that the Discovery is a significant Discovery of Non-Associated Natural Gas, which may become a Commercial Discovery subject to Gas Marketing Operations, it shall carry out Gas Marketing Operations, at the end of which it shall submit a written statement to the Management Committee specifying that:
- (a) the **CONTRACTOR** has determined that the Discovery is a Commercial Discovery; or
 - (b) the **CONTRACTOR** has determined that the Discovery is not a Commercial Discovery.

- 14.6 For the purpose of this Contract, "**Gas Marketing Operations**" means any activity under this Contract relating to the marketing of Non-Associated Natural Gas, including any evaluation to find a commercial market for such Non-Associated Natural Gas and/or to find a commercially viable technical means of extraction of such Non-Associated Natural Gas and may include activities related to evaluating the quantities of Non-Associated Natural Gas to be sold, its quality, the geographic location of potential markets to be supplied as well as evaluating the costs of production, transportation and distribution of the Non-Associated Natural Gas from the Delivery Point to the relevant market.
- 14.7 All costs and expenditure incurred by the **CONTRACTOR** in the performance of the activities in relation to the Gas Marketing Operations shall be considered Petroleum Costs.
- 14.8 No later than 1 October of the Calendar Year preceding the Calendar Year in which any Gas Marketing Operations are due to occur, the **CONTRACTOR** shall prepare and submit to the Management Committee its Gas Marketing Work Program and Budget for the following Calendar Year. To enable the Management Committee to forecast expenditures, the Gas Marketing Work Program and Budget shall include the following:
- (a) works to be carried out;
 - (b) type of services to be provided, distinguishing between third parties and Affiliated companies of any **CONTRACTOR** Entity; and
 - (c) categories of general and administrative expenditure.

If any modification to the Gas Marketing Work Program and Budget is requested by the **GOVERNMENT**, the Management Committee shall meet to discuss the Gas Marketing Work Program and Budget and proposed modifications thereto within sixty (60) days from its receipt of the proposed Gas Marketing Work Program and Budget. The **CONTRACTOR** shall communicate its comments on any such requested modifications to the **GOVERNMENT** at the meeting of the Management Committee or in writing prior to such meeting.

- 14.9 The **CONTRACTOR** shall be authorised to incur expenditures not budgeted in an approved Gas Marketing Work Program and Budget provided that the aggregate amount of such expenditure shall not exceed ten per cent (10%) of the approved Gas Marketing Work Program and Budget in any Calendar Year and provided further that such excess expenditures shall be reported as soon as reasonably practicable to the Management Committee. For the avoidance of doubt, all excess expenditures shall be recovered by the **CONTRACTOR** in accordance with the provisions of Articles 1 and 25, provided that any excess expenditure above the ten per cent (10%) limit shall only be recovered with the unanimous approval of the Management Committee.
- 14.10 If any Non-Associated Natural Gas is discovered within the Contract Area, and the **CONTRACTOR** reasonably considers that the Non-Associated Natural Gas Discovery will only be a Commercial Discovery if certain terms of this Contract are amended, it shall be entitled to request amendments to this Contract, with its reasons. The **GOVERNMENT** shall in good faith give reasonable consideration to the

KS

JBL
TF

CONTRACTOR's proposed amendment and reasons and the Parties shall in good faith attempt to agree on the necessary amendments to the Contract. If the Parties are unable to agree on such amendments, and the Exploration Period expires without the **CONTRACTOR** having declared such Discovery to be a Commercial Discovery in accordance with Article 12.6(a) or Article 14.5(a), and subsequently within a period of eight (8) years from the end of such Exploration Period, the **GOVERNMENT** reaches agreement with any third party to develop such Discovery (the "**Gas Development**"), then the following provisions shall apply:

- (a) either before or upon agreement in relation to the Gas Development having been reached (and whether or not such agreement is recorded in a fully termed production sharing and/or operating or other like agreement), but before such agreement is signed (the "**Proposed Contract**") (subject only to the rights of each **CONTRACTOR** Entity to pre-empt such Proposed Contract pursuant to Article 14.10(b) and such conditions as may be applicable), the **GOVERNMENT** shall, as soon as reasonably practicable after the occurrence of such circumstances, serve on each of the **CONTRACTOR** Entities, a notice to that effect and shall with such notice provide such information and main terms of such agreement as the **CONTRACTOR** Entities may reasonably request to determine if they will exercise their rights (the "**Agreed Terms**"), including:
- (i) the identity of such third party;
 - (ii) the effective date of the Proposed Contract;
 - (iii) the applicable commercial terms, including bonuses, royalties, cost recovery, profit sharing, taxation and any other similar terms; and
 - (iv) all and any material conditions to which the Proposed Contract is subject.
- (b) Upon a request from any **CONTRACTOR** Entity, the **GOVERNMENT** will provide all the **CONTRACTOR** Entities with such further information and terms as may be reasonably requested by any **CONTRACTOR** Entity. Within one hundred and eighty days (180) days after receipt of a notice and any further information under Article 14.10(a) in relation to a Proposed Contract each of the **CONTRACTOR** Entities shall elect either:
- (i) to enter into the Proposed Contract on the same or substantially similar terms to the Agreed Terms, with the right to cost recover all Petroleum Costs incurred under this Contract against all Petroleum revenues received under the Proposed Contract, up to any cost recovery limits set out therein; or
 - (ii) to waive the aforesaid right of pre-emption in relation to the Proposed Contract;

and shall serve notice accordingly upon the **GOVERNMENT** and all the **CONTRACTOR** Entities and in default of receipt by the **GOVERNMENT** of any such notice within such period of one hundred and eighty (180) days

such **CONTRACTOR** Entity shall be deemed conclusively to have served a notice electing to waive its aforesaid right of pre-emption in relation to the Proposed Contract.

- (c) In the event that more than one of the **CONTRACTOR** Entities exercises its rights under Article 14.10(b)(i) in relation to the Proposed Contract, then the **GOVERNMENT** shall transfer or grant each such **CONTRACTOR** Entity an interest in the Proposed Contract upon the Agreed Terms (in accordance with Article 14.10(b)(i)) in the proportions in which their respective percentage interests bear to the aggregate of their respective percentage interests under the relevant Joint Operating Agreement (as it applied at the end of the Exploration Period) or in such other proportions as such **CONTRACTOR** Entities shall agree between them.
- (d) In the event that one of the **CONTRACTOR** Entities exercises its rights under Article 14.10(b)(i) in relation to the Proposed Contract then the **GOVERNMENT** shall transfer or grant the whole of the interest in the Proposed Contract upon the Agreed Terms (in accordance with 14.10(b)(i)) to such **CONTRACTOR** Entity.
- (e) In the event that none of the **CONTRACTOR** Entities exercises its rights under Article 14.10(b)(i) then the **GOVERNMENT** may enter into the Proposed Contract on terms no more favourable to its counterparty than the Agreed Terms and, in such case, the aforesaid rights of pre-emption shall thereupon cease to apply in relation to the Proposed Contract.

14.11 If the pre-emption rights in Article 14.10 are not exercised and the **GOVERNMENT** enters into the Proposed Contract with the third party concerned, the **GOVERNMENT** will use its best endeavours to avoid any effect which may hamper the Petroleum Operations of the **CONTRACTOR** while producing Petroleum.

Flaring

14.12 Flaring of Natural Gas in the course of activities provided for under this Contract, is prohibited except (i) short-term flaring up to twelve (12) Months necessary for testing or other operational reasons in accordance with prudent international petroleum industry practice (which shall include the flaring of Associated Natural Gas to the extent the **CONTRACTOR** considers that re-injecting Associated Natural Gas is not justified technically and economically and provided the **GOVERNMENT** decides not to take such Associated Natural Gas), or (ii) with the prior authorisation of the **GOVERNMENT**, such authorisation not to be unreasonably withheld or delayed. The **CONTRACTOR** shall submit such request to the **GOVERNMENT**, which shall include an evaluation of reasonable alternatives to flaring that have been considered along with information on the amount and quality of Natural Gas involved and the duration of the requested flaring.

ARTICLE 15 – ACCOUNTING AND AUDITS

15.1 The **CONTRACTOR** shall keep in its offices in the Kurdistan Region copies of all books and accounts of all revenues relating to the Petroleum Operations and all

KS

JBB

Petroleum Costs (the "**Accounts**"), except during the Exploration Period, when the **CONTRACTOR** shall be entitled to keep the Accounts at its headquarters Abroad. The Accounts shall reflect in detail expenditure incurred as a function of the quantities and value of Petroleum produced, and shall be kept for a period of five (5) years. All Accounts which are made available to the **GOVERNMENT** in accordance with the provisions of this Contract shall be prepared in the English language. The Accounts shall be kept in accordance with prudent international petroleum industry practice and in accordance with the provisions of the Accounting Procedure. The Accounts shall be kept in Dollars, which shall be the reference currency for the purposes of this Contract.

15.2 Within ninety (90) days following the end of each Calendar Year, the **CONTRACTOR** shall submit to the **GOVERNMENT** a summary statement of all Petroleum Costs incurred during the said Calendar Year. The summary statement shall also include a profit calculation pursuant to the provisions of Article 26.

15.3 The **GOVERNMENT** shall have the right:

- (a) to request an audit of the Accounts with respect to each Calendar Year within a period of two (2) Calendar Years following the end of such Calendar Year (the "**Audit Request Period**"); and
- (b) to retain an auditor of international standing familiar with international petroleum industry accounting practice to undertake or assist the **GOVERNMENT** to undertake the audit.

Notwithstanding paragraphs (a) and (b) of this Article 15.3, the **GOVERNMENT** shall have the right to audit the Accounts with respect to each Calendar Year at any time in the case of manifest error or fraud.

15.4 The reasonable cost of retaining an auditor pursuant to Article 15.3 shall be borne by the **CONTRACTOR** and treated as a Petroleum Cost for the purpose of cost recovery under Articles 1 and 25.

15.5 During the Audit Request Period for any Calendar Year but not thereafter, the **GOVERNMENT**, acting reasonably and in accordance with prudent international petroleum industry practice, may request in writing all reasonably available information and justifications for its audit of Petroleum Costs.

15.6 Should the **GOVERNMENT** consider, on the basis of data and information available, that the **CONTRACTOR** made a material mistake or there is any irregularity in respect of the Accounts and considers that any corrections, adjustments or amendments should be made, the **GOVERNMENT** shall make any audit exceptions in writing and notified to the **CONTRACTOR** within six (6) Months of the date of request referred to in Article 15.3, and failure to give such written exception within such time shall be deemed to be an acknowledgement of the correctness of the **CONTRACTOR**'s Accounts.

15.7 In respect of any audit exception made by the **GOVERNMENT** in accordance with Article 15.6, the **CONTRACTOR** shall then have sixty (60) days to make necessary corrections, adjustments or amendments or to present its comments in writing or

KS

JBC
TK

request a meeting with the **GOVERNMENT**. The **GOVERNMENT** shall within thirty (30) days of the **CONTRACTOR**'s response, notify the **CONTRACTOR** in writing of its position on the corrections, adjustments, amendments or comments. If thereafter there still exists a disagreement between the **GOVERNMENT** and the **CONTRACTOR**, the dispute will be settled in accordance with Article 15.9.

- 15.8 In addition to the annual statements of Petroleum Costs as provided in Article 15.2, the **CONTRACTOR** shall provide the **GOVERNMENT** with such production statements and reports, as required pursuant to Article 16.3.
- 15.9 Any dispute between the Parties under this Article 15 that cannot be settled amicably within sixty (60) days of the **GOVERNMENT**'s final notice under Article 15.7, may be submitted to an expert on the request of either the **GOVERNMENT** or the **CONTRACTOR** in accordance with the provisions of Article 42.2. Notwithstanding the provisions of Article 42, in this specific instance the decision of the expert shall not necessarily be final and either Party may decide to submit the matter to arbitration in accordance with the provisions of Article 42.1.

ARTICLE 16 – CONTRACTOR'S RIGHTS AND OBLIGATIONS

Permanent Representative

- 16.1 If not done already, within ninety (90) days following the Effective Date, each **CONTRACTOR** Entity shall open an office and appoint a permanent representative in the Kurdistan Region, who may be contacted by the **GOVERNMENT** with regard to any matter relating to this Contract and will be entitled to receive any correspondence addressed to such **CONTRACTOR** Entity.

Conduct of Petroleum Operations

- 16.2 The **CONTRACTOR** shall carry out all Petroleum Operations in accordance with the provisions of this Contract, prudent international petroleum industry practice and applicable Kurdistan Region Law.

The **CONTRACTOR** shall be responsible for the conduct, management, control and administration of Petroleum Operations and shall be entitled to conduct Petroleum Operations in accordance with the provisions of this Contract. In conducting its Petroleum Operations, the **CONTRACTOR** shall have the right to use any Affiliate of each **CONTRACTOR** Entity, its and their Subcontractors, and the employees, consultants, and agents of each of the foregoing. The **CONTRACTOR** and all such Persons shall at all times have free access to the Contract Area and any Production Areas for the purpose of carrying out Petroleum Operations.

Information and Reports

- 16.3 The **CONTRACTOR** shall provide the **GOVERNMENT** with periodic data and activity reports relating to Petroleum Operations. Said reports shall include details of the following:

KS

- (a) information and data regarding all Exploration Operations, Development Operations and Production Operations (as applicable) performed during the Calendar Year, including any quantities of Petroleum produced and sold;
- (b) data and information regarding any transportation facilities built and operated by the **CONTRACTOR**;
- (c) a statement specifying the number of personnel, their title, their nationality as well as a report on any medical services and equipment made available to such personnel; and
- (d) a descriptive statement of all capital assets acquired for the Petroleum Operations, indicating the date and price or cost of their acquisition.

Requirement for Petroleum Operations

16.4 The **CONTRACTOR** may freely use any Petroleum produced within the Contract Area for the Petroleum Operations.

Supervision by the GOVERNMENT

16.5 The **CONTRACTOR** shall at all times provide reasonable assistance as may reasonably be requested by the **GOVERNMENT** during its review and verification of records and of any other information relating to Petroleum Operations at the offices, worksites or any other facilities of the **CONTRACTOR**.

Upon giving reasonable prior notice to the **CONTRACTOR**, the **GOVERNMENT** may send a reasonable number of representatives to the work-sites or any other facilities of the **CONTRACTOR** in the Kurdistan Region to perform such reviews and verifications. The representatives of the **GOVERNMENT** shall at all times comply with any safety regulations imposed by the **CONTRACTOR** and such reviews and verifications shall not hinder the smooth progress of the Petroleum Operations.

Access to Facilities

16.6 For the performance of the Petroleum Operations, the **CONTRACTOR**, any Affiliate of each **CONTRACTOR** Entity, its and their Subcontractors and the employees, consultants and agents of each of the foregoing shall at all times be granted free access to the Contract Area and to any facilities for the Petroleum Operations located within or outside of the Contract Area or within or outside the Production Area, for the purpose of carrying out the Petroleum Operations.

Use of Facilities

16.7 Upon notice from the **GOVERNMENT**, the **CONTRACTOR** shall make available to a reasonable number of representatives of the **GOVERNMENT** those of the **CONTRACTOR**'s facilities which are necessary to enable such representatives to perform their tasks related to this Contract and the Kurdistan Region Oil and Gas Law including, in case of works to be performed on work sites, transportation,

KS

JBT

accommodation and board, under the same conditions as those provided by the **CONTRACTOR** for its own personnel.

Notwithstanding Article 16.8, the **GOVERNMENT** shall indemnify and hold harmless each **CONTRACTOR** Entity against all losses, damages and liability arising under any claim, demand, action or proceeding brought or initiated against any **CONTRACTOR** Entity by any representative of the **GOVERNMENT** in connection with the access to or use of the facilities by such representatives.

Loss or Damage

- 16.8 The **CONTRACTOR** shall be responsible for any loss or damage caused to third parties by its or its Subcontractors personnel solely and directly resulting from their negligence, errors or omissions in accordance with applicable Kurdistan Region Law.

Intellectual Property Rights

- 16.9 In its Petroleum Operations, the **CONTRACTOR** shall respect any patents belonging to third parties.

Litigation

- 16.10 The **CONTRACTOR** shall as soon as reasonably practicable inform the **GOVERNMENT** of any material litigation relating to this Contract.

Safety

- 16.11 The **CONTRACTOR** shall implement a health, safety and environment program and take necessary measures to ensure hygiene, health and safety of its personnel carrying out Petroleum Operations in accordance with prudent international petroleum industry practice.

Said measures shall include the following:

- (a) supplying first aid and safety equipment for each work area and maintaining a healthy environment for personnel;
- (b) reporting to the **GOVERNMENT** within seventy-two (72) hours of such accident, any accident where personnel has been injured while engaged in Petroleum Operations and resulting in such personnel being unable to return to work;
- (c) implementing a permit-to-work procedure around hazardous equipment and installations;
- (d) providing safe storage areas for explosives, detonators and any other dangerous products used in the operations;
- (e) supplying fire-extinguishing equipment in each work area;

KS

- (f) for the purpose of taking control of any blow out or fire which could damage the environment or Petroleum Field, in accordance with prudent international petroleum industry practice; and
- (g) for the purpose of preventing any involuntary injection of fluids in petroleum formations and production of Crude Oil and Natural Gas at rates that do not conform to prudent international petroleum industry practice.

Production Rates

16.12 Subject to Article 43.2, in the event the production rate of the individual wells and Reservoir of a Petroleum Field is to be set below the Maximum Efficient Rate ("MER") for the Reservoir, as provided for in the Development Plan, as a consequence of a decision by the **GOVERNMENT** or any federal or international regulatory body, the **GOVERNMENT** undertakes to allocate any such reduction fairly and equitably among the various operators (including the **GOVERNMENT**) then producing in the Kurdistan Region, pro rata their respective production rates. In such event, the **GOVERNMENT** shall grant an extension of the Development Period of any Production Area so affected for a reasonable period of time in order to produce the Petroleum which would otherwise have already been produced, had the MER for the individual wells and Reservoir of the Petroleum Field been maintained.

Legal Status

16.13 The respective rights, duties, obligations and liabilities of the **CONTRACTOR** and the **GOVERNMENT** under this Contract are to be understood as being separate and individual and not joint and several. As between the **CONTRACTOR** on the one hand and the **GOVERNMENT** on the other hand, the Parties agree that this Contract shall not create and shall not be deemed to have created a partnership or other form of association between them.

Lifting

16.14 The **GOVERNMENT** and each **CONTRACTOR** Entity shall have the right and the obligation to take in kind and separately sell or otherwise dispose of their respective shares of Petroleum. Upon approval of the Development Plan, the Parties shall meet as soon as practicable to reach a detailed agreement governing the lifting of Petroleum by each such **CONTRACTOR** Entity. Such lifting agreement shall include the following:

- (a) the obligation of the **GOVERNMENT** and each **CONTRACTOR** Entity to lift, regularly throughout each Calendar Year, their share of Petroleum produced from the Production Area;
- (b) notification procedures by the Operator to the **GOVERNMENT** and each **CONTRACTOR** Entity regarding entitlements and availability of Petroleum for lifting by each Party during each lifting period and nominations by each Party; and
- (c) the right of the Parties to lift any Available Petroleum not scheduled for lifting and/or not lifted by the other Party during each such lifting period.

KS

JBL
TK

Kurdistan Region Consumption Requirements

- 16.15 The **CONTRACTOR** Entities shall sell and transfer to the **GOVERNMENT**, upon written request of the **GOVERNMENT**, any amounts of Crude Oil that the **GOVERNMENT** shall deem necessary to meet Kurdistan Region internal consumption requirements. The sales price of such Crude Oil shall be the International Market Price. The **GOVERNMENT** shall provide the **CONTRACTOR** Entities with not less than six (6) Months' advance written notice of its intention to buy such Crude Oil.

Payments shall be made in Dollars and otherwise on terms consistent with prudent international petroleum industry practice. The **CONTRACTOR** Entities' obligation to sell Crude Oil to the **GOVERNMENT** shall be, with the other contractors and operators (including the **GOVERNMENT**) then producing in the Kurdistan Region, pro rata to their respective production rates.

The provisions of this Article 16.15 shall not apply to Non-Associated Natural Gas.

ARTICLE 17 – USE OF LAND AND EXISTING INFRASTRUCTURE

- 17.1 The **GOVERNMENT** shall make available to the **CONTRACTOR** any land or property in the Kurdistan Region required for the Petroleum Operations; provided, however, the **CONTRACTOR** shall not request to use any such land unless there is a real need for it. The **CONTRACTOR** shall have the right to build and maintain, above and below ground, any facilities required for the Petroleum Operations.
- 17.2 If it becomes necessary for conduct of the Petroleum Operations to occupy and use any land or property in the Kurdistan Region belonging to third parties, the **CONTRACTOR** shall endeavour to reach amicable agreement with the owners of such land. If such amicable agreement cannot be reached, the **CONTRACTOR** shall notify the **GOVERNMENT**. On receipt of such notification:
- (a) the **GOVERNMENT** shall determine the amount of compensation to be paid by the **CONTRACTOR** to the owner, if occupation will be for a short duration; or
 - (b) the **GOVERNMENT** shall expropriate the land or property in accordance with applicable Kurdistan Region Law, if such occupation will be long lasting or makes it henceforth impossible to resume original usage of such land or property. Any property rights shall be acquired by and recorded in the name of the **GOVERNMENT**, but the **CONTRACTOR** shall be entitled free use of the land or property for the Petroleum Operations for the entire duration of this Contract.

The amount of the compensation in Article 17.2(a) shall be fair and reasonable, in accordance with Article 29 of the Kurdistan Region Oil and Gas Law, and shall take into account the rights of the owner and any effective use of the land or property by its owner at the time of occupation by the **CONTRACTOR**. All reasonable costs, expenditures and fair and reasonable compensation (as required pursuant to Article 29 of the Kurdistan Region Oil and Gas Law) which results from such expropriation

shall be borne by the **CONTRACTOR**. For the avoidance of doubt, such costs, expenses and compensation incurred by the **CONTRACTOR** shall be considered Petroleum Costs and shall be recovered by the **CONTRACTOR** in accordance with the provisions of Articles 1 and 25.

- 17.3 For its Petroleum Operations, the **CONTRACTOR** shall have the right in the Kurdistan Region to use, subject to applicable Law, any railway, tramway, road, airport, landing field, canal, river, bridge or waterway, any telecommunications network and any existing pipelines or transportation infrastructure, on terms no less favourable than those offered to other entities and, unless generally in force, to be mutually agreed.
- 17.4 Under national emergencies due to environmental catastrophe or disaster, or internal or external war, the **GOVERNMENT** shall have the right to request to use any transportation and communication facilities installed by the **CONTRACTOR**. In such cases, the request shall originate from the Minister of Natural Resources. For the avoidance of doubt, such costs, expenses or liabilities incurred by the **CONTRACTOR** hereunder shall be considered Petroleum Costs and shall be recovered by the **CONTRACTOR** in accordance with the provisions of Articles 1 and 25.
- 17.5 For its Petroleum Operations, the **CONTRACTOR** shall have the right in the Kurdistan Region to clear land, excavate, drill, bore, construct, erect, place, procure, operate, emit and discharge, manage and maintain ditches, tanks, wells, trenches, access roads, excavations, dams, canals, water mains, plants, reservoirs, basins, storage and disposal facilities, primary distillation units, extraction and processing units, separation units, sulphur plants and any other facilities or installations for the Petroleum Operations, in addition to pipelines, pumping stations, generators, power plants, high voltage lines, telephone, radio and any other telecommunications systems, as well as warehouses, offices, sheds, houses for personnel, hospitals, schools, premises, dikes, vehicles, railways, roads, bridges, airlines, airports and any other transportation facilities, garages, hangars, workshops, foundries, repair shops and any other auxiliary facilities for the Petroleum Operations and, generally, everything which is required for its performance of the Petroleum Operations. The **CONTRACTOR** shall have the right to select the location for these facilities.
- 17.6 For its Petroleum Operations, the **CONTRACTOR** shall have the right in the Kurdistan Region, subject to compliance with applicable Kurdistan Region Law, to remove and use the topsoil, fully-grown timber, clay, sand, lime, gypsum, stones (other than precious stones) and other similar substances as required for its Petroleum Operations.

The **CONTRACTOR** shall have the right in the Kurdistan Region to take or use any water necessary for the Petroleum Operations provided it does not damage any existing irrigation or navigation systems and that land, houses or watering points belonging to third parties are not deprived of their use.

- 17.7 The **GOVERNMENT** shall have the right in the Kurdistan Region to build, operate and maintain roads, railways, airports, landing strips, canals, bridges, protection dams, police stations, military installations, pipelines and telecommunications networks in

KS

JBL

the Contract Area, provided this does not increase the costs, or compromise or have a material adverse effect on the performance of the Petroleum Operations. If the construction, operation and maintenance of such facilities by the **GOVERNMENT** results in increased cost or expense for the **CONTRACTOR** then, for the avoidance of doubt, such cost and expense shall be considered Petroleum Costs and shall be recovered by the **CONTRACTOR** in accordance with the provisions of Articles 1 and 25.

- 17.8 Upon request of the **CONTRACTOR**, the **GOVERNMENT** shall prohibit the construction of residential or commercial buildings in the vicinity of facilities used for the Petroleum Operations that may be declared dangerous due to the Petroleum Operations and to prohibit any interference with the use of any facilities required for the Petroleum Operations.
- 17.9 Access to the Contract Area may be granted pursuant to an Access Authorisation, as shall be defined in, and consistent with, the Kurdistan Region Oil and Gas Law, to authorised third parties on reasonable terms and conditions (including coordination), including Persons authorised to construct, install and operate structures, facilities and installations, and to carry out other works, provided that nothing in the Access Authorisation or in this Article 17.9 authorises the holder to drill a Well or to perform any Petroleum Operations in Contract Area.

The **GOVERNMENT** shall give the **CONTRACTOR** adequate advance notice of any Access Authorisation in respect of the Contract Area and shall not grant any Access Authorisation in respect of the Contract Area until it has taken into account any submissions made by the **CONTRACTOR** nor in such a way that there is undue interference with or hindrance of the rights and activities of the **CONTRACTOR**.

ARTICLE 18 – ASSISTANCE FROM THE GOVERNMENT

- 18.1 To the extent allowed by Kurdistan Region Law and Iraqi law and at the specific request of the **CONTRACTOR**, the **GOVERNMENT** shall take all necessary steps to assist the **CONTRACTOR** Entities in, but not limited to, the following areas:
- (a) securing any necessary Permits for the use and installation of means of transportation and communications;
 - (b) securing regulatory Permits in matters of customs or import/export;
 - (c) securing entry and exit visas, work and residence permits as well as any other administrative Permits for each **CONTRACTOR** Entity's, its Affiliate's and its Subcontractors' foreign personnel (including their family members) working in the Kurdistan Region and any other part of Iraq during the implementation of this Contract;
 - (d) securing any necessary Permits to send Abroad documents, data or samples for analysis or processing for the Petroleum Operations;
 - (e) relations with federal and local authorities and administrations, including for the purposes of the remainder of this Article 18.1;

- (f) securing any necessary environmental Permits;
 - (g) obtaining any other Permits requested by any **CONTRACTOR** Entity for the Petroleum Operations;
 - (h) access to any existing data and information, including data and information relating to the Contract Area held by previous operators or contractors; and
 - (i) providing all necessary security for Petroleum Operations.
- 18.2 Within the scope of services to be provided under this Article 18, reasonable and duly justified expenses incurred by the **GOVERNMENT** or paid to third parties shall be charged to the **CONTRACTOR** and shall be considered Petroleum Costs and shall be recovered by the **CONTRACTOR** as Petroleum Costs in accordance with the provisions of Articles 1 and 25.

ARTICLE 19 – EQUIPMENT AND MATERIALS

- 19.1 The **CONTRACTOR** shall supply, or procure the supply of, all materials, equipment, machinery, tools, spare parts and any other items or goods required for the Petroleum Operations (“**Equipment and Materials**”).
- 19.2 Said Equipment and Materials shall be provided by the **CONTRACTOR** in accordance with the relevant Work Programs and Budgets.
- 19.3 As soon as possible after the Effective Date, the **CONTRACTOR** shall provide the Management Committee with a copy of its procedures for procurement of Equipment and Materials and/or services for the Petroleum Operations as required by the provisions of Article 8.2 (e), including the criteria for tender evaluation, which procedures and criteria shall be in accordance with prudent international petroleum industry practice. If the Management Committee does not request any modifications to the procurement procedures within thirty (30) days after receiving such procedures, the procedures shall be deemed approved by the Management Committee.
- 19.4 The **CONTRACTOR** shall give priority to Equipment and Materials that are readily available in the Kurdistan Region and other parts of Iraq to the extent their price, grade, quality, quantity, specifications, purchase, delivery and other commercial and technical terms are comparable in all material respects with those generally available in the international petroleum industry.

ARTICLE 20 – TITLE TO ASSETS

- 20.1 During the Exploration Period, any Assets acquired by the **CONTRACTOR** for the Petroleum Operations shall remain the property of the **CONTRACTOR**, the **CONTRACTOR** Entities, their Affiliates or their Subcontractors, as the case may be.
- 20.2 During the Development Period, subject to Article 21, all Assets acquired by the **CONTRACTOR** for the Petroleum Operations shall become the property of the

US

JBL
TR

GOVERNMENT upon the completion of the recovery of the costs of all such assets by the **CONTRACTOR**, or the end of the Contract, whichever is the earlier.

- 20.3 The provisions of Article 20.2 shall not apply to any Assets leased by the **CONTRACTOR** or belonging to an Affiliated Company of a **CONTRACTOR** Entity or belonging to its or their Subcontractors or its or their employees.

ARTICLE 21 – USE OF THE ASSETS

- 21.1 Each **CONTRACTOR** Entity shall have the exclusive right to use, free of any charge, all Assets described in Article 20, both before and after recovery of the cost of the same, for the Petroleum Operations, as well as for any petroleum operations under other agreements in the Kurdistan Region to which it or any of its Affiliates is a party, provided that the Petroleum Operations take priority. The **GOVERNMENT** agrees not to transfer or otherwise dispose of any of such Assets without the **CONTRACTOR**'s prior written approval.
- 21.2 The **CONTRACTOR** may freely move to the Contract Area any Assets from any relinquished portion of the Contract Area, or from any other area in the Kurdistan Region.

ARTICLE 22 – SUBCONTRACTING

- 22.1 The **CONTRACTOR** shall ensure that any Subcontractors it engages have all the requisite experience and qualifications.
- 22.2 The **CONTRACTOR** shall give priority to Subcontractors from the Kurdistan Region and other parts of Iraq to the extent their competence, rates, experience, reputation, qualifications, specialties, credit rating and terms of availability, delivery and other commercial terms are, in the **CONTRACTOR**'s sole opinion, comparable in all material respects with those provided by foreign companies operating in the international petroleum industry. Such Subcontractors must be bona fide Kurdistan Region companies not related to any Public Officer, directly or indirectly, and must have all necessary resources and capacity.
- 22.3 Selection of Subcontractors shall take place in accordance with the procurement procedures submitted by the **CONTRACTOR** to the Management Committee in accordance with Article 19.3 and approved by the Management Committee.
- 22.4 The **CONTRACTOR** shall provide the **GOVERNMENT** with copies of agreements entered into with Subcontractors, where their amount exceeds the limit set by the Management Committee from time to time.

ARTICLE 23 – PERSONNEL, TRAINING, AND TECHNOLOGICAL ASSISTANCE

Personnel

- 23.1 For the Petroleum Operations, the **CONTRACTOR** shall give, and shall require its Subcontractors to give, preference to personnel from the Kurdistan Region and other

KS

JPK TK

parts of Iraq to the extent such personnel have the technical capability, qualifications, competence and experience required to perform the work.

- 23.2 The **CONTRACTOR** Entities shall give due consideration to the secondment of **GOVERNMENT** personnel to the **CONTRACTOR** Entities and of the **CONTRACTOR** Entities' personnel to the **GOVERNMENT** during the various phases of the Petroleum Operations. Terms and conditions for such secondment shall be mutually agreed by the Parties and any costs associated therewith shall be considered Petroleum Costs and shall be recovered by the **CONTRACTOR** in accordance with the provisions of Articles 1 and 25.
- 23.3 Each **CONTRACTOR** Entity and its Affiliates and Subcontractors shall have the right to hire foreign personnel whenever the personnel from the Kurdistan Region and other parts of Iraq do not have the requisite technical capability, qualifications or experience for positions to be filled as required pursuant to Article 23.1. In the event any such foreign personnel and/or a member of their family engage in activities or commit acts which breach Kurdistan Region Law, the **CONTRACTOR** shall, at the request of the Management Committee, take the necessary steps to repatriate such individual(s).
- 23.4 For the first five (5) Contract Years, the **CONTRACTOR** shall provide up to two hundred and fifty thousand Dollars (US\$250,000) in advance each Contract Year to the **GOVERNMENT** for the recruitment or secondment of personnel, whether from the Kurdistan Region other parts of Iraq or Abroad, to the Ministry of Natural Resources. The selection of such personnel shall be at the discretion of the Minister of Natural Resources. Such costs shall be considered as Petroleum Costs and shall be recovered in accordance with the provisions of Articles 1 and 25.

Training

- 23.5 In a planned way, in accordance with the provisions of this Article 23.5 and Articles 23.6 and 23.7, the **CONTRACTOR** shall train all its personnel from the Kurdistan Region and other parts of Iraq directly or indirectly involved in the Petroleum Operations for the purpose of improving their knowledge and professional qualifications in order that such personnel gradually reach the level of knowledge and professional qualification held by the **CONTRACTOR** Entities' foreign workers with an equivalent résumé. Such training shall also include the transfer of knowledge of petroleum technology and the necessary management experience so as to enable the personnel from the Kurdistan Region and other parts of Iraq to apply advanced and appropriate technology in the Petroleum Operations, to the extent permitted by applicable Law and agreements with third parties, and subject to appropriate confidentiality agreements.
- 23.6 In addition to the requirements of Article 23.1, the recruitment, integration and training of the **CONTRACTOR** Entities' personnel from the Kurdistan Region and other parts of Iraq shall be planned, which plans shall be submitted to the Management Committee for its approval. The training plan shall take into consideration the requirements of Article 23.5 and may include training for the **GOVERNMENT's** personnel, depending on the extent to which the amount allocated to the training plan, as prescribed by Article 23.7, is available after taking

into consideration the training of the **CONTRACTOR** Entities' Kurdistan Region and other Iraqi personnel.

Within ninety (90) days of the Effective Date, the **CONTRACTOR** shall submit to the Management Committee a proposed training plan for the remainder of the Calendar Year. Thereafter, no later than 1 October in each Calendar Year, the **CONTRACTOR** shall submit a proposed training plan to the Management Committee for the following Calendar Year.

- 23.7 The training plan referred to in Article 23.6 shall provide for the allocation to the **GOVERNMENT** of the amount of one hundred and fifty thousand Dollars (US\$150,000.00) in advance for each Contract Year during the Exploration Period and three hundred thousand Dollars (US\$300,000) in advance for each Contract Year during the Development Period.
- 23.8 Each **CONTRACTOR** Entity shall be responsible for the training costs which it may incur in respect of the personnel it employs from the Kurdistan Region and other parts of Iraq. All such reasonable costs shall be considered as Petroleum Costs and shall be recovered in accordance with the provisions of Articles 1 and 25. Costs incurred by the **CONTRACTOR** for training programs for the **GOVERNMENT's** personnel shall be borne by the **CONTRACTOR** only to the extent that they are included in the **CONTRACTOR's** training plan, pursuant to Article 23.6 and shall also be considered as Petroleum Costs and shall be recovered in accordance with the provisions of Articles 1 and 25. The cost of all other training programs for the **GOVERNMENT's** personnel shall be the **GOVERNMENT's** responsibility.

The Environment Fund

- 23.9 The **CONTRACTOR** shall contribute the amount of one hundred and fifty thousand Dollars (US\$150,000) in advance each Contract Year during the Exploration Period and three hundred thousand Dollars (US\$300,000) in advance for each Contract Year during the Development Period into the environment fund established by the **GOVERNMENT** for the benefit of the natural environment of the Kurdistan Region, pursuant to the Kurdistan Region Oil and Gas Law (the "**Environment Fund**"). Such amounts shall be deemed to be Petroleum Costs and shall be recovered in accordance with Articles 1 and 25.
- 23.10 Any expenditure incurred by the **CONTRACTOR** under this Article 23 shall be considered Petroleum Costs and shall be recovered in accordance with Articles 1 and 25.

Technological and logistical assistance

- 23.11 Before the end of the first Contract Year, the **CONTRACTOR** shall provide to the **GOVERNMENT** technological and logistical assistance to the Kurdistan Region petroleum sector, including geological computing hardware and software and such other equipment as the Minister of Natural Resources may require, to the value of two million Dollars (US\$2,000,000). The form of such assistance shall be mutually agreed by the Parties and any costs associated therewith shall be considered Petroleum Costs and shall be recovered by the **CONTRACTOR** in accordance with the provisions of Articles 1 and 25.

KS

SPK
TF

ARTICLE 24 – ROYALTY

- 24.1 The **CONTRACTOR** shall pay to the **GOVERNMENT** a portion of Petroleum produced and saved from the Contract Area, as provided in this Article 24 (the "**Royalty**").
- 24.2 The Royalty shall be applied on all Petroleum produced and saved from the Contract Area which is Crude Oil or Non-Associated Natural Gas, except for Petroleum used in Petroleum Operations, re-injected in a Petroleum Field, lost, flared or for Petroleum that cannot be used or sold and such Crude Oil and Non-Associated Natural Gas (excluding the excepted Petroleum) shall be referred to collectively as "**Export Petroleum**" and separately and respectively as "**Export Crude Oil**" and "**Export Non-Associated Natural Gas**".
- 24.3 If payable in cash, the amount of the Royalty calculated by applying the Royalty rates provided under Article 24.4 shall be paid by the **CONTRACTOR** as directed by the **GOVERNMENT**, in accordance with Article 24.7.

If payable in kind, the quantity of Export Petroleum corresponding to the Royalty and calculated by applying the Royalty rates provided under Article 24.4 shall be delivered in kind by the **CONTRACTOR** to the **GOVERNMENT** at the Delivery Point. Title and risk of loss of the Royalty paid in kind shall be transferred at the Delivery Point.

Unless the **GOVERNMENT** requires the Royalty to be paid in kind, by giving the **CONTRACTOR** not less than ninety (90) days prior written notice prior to the commencement of the relevant Quarter, the **GOVERNMENT** shall be deemed to have elected to receive the Royalty in full and in cash for the relevant Quarter.

- 24.4 The Royalty due on any Export Petroleum produced and saved in the Contract Area shall be determined daily by applying the following relevant Royalty rate, to the Export Crude Oil or to the Export Non-Associated Natural Gas (as the case may be) produced and saved on that day:
- (a) **For Export Crude Oil:**
- the Royalty rate for Export Crude Oil shall be ten per cent (10%), which, for the avoidance of doubt, shall apply regardless of the gravity of the oil; and
- (b) **For Export Non-Associated Natural Gas:**
- the Royalty rate for Export Non-Associated Natural Gas shall be ten per cent (10%).

- 24.5 Associated Natural Gas and any other Petroleum shall be exempt from any Royalty.
- 24.6 If, pursuant to Article 24.3, the **GOVERNMENT** receives the Royalty in kind, and pursuant to Article 28, the **GOVERNMENT** requests assistance for the sale of all or

KS

JBG
TK

part of the Royalty received in kind, each **CONTRACTOR** Entity shall assist the **GOVERNMENT** in selling all or part of such Royalty received in kind (belonging to the **GOVERNMENT**) in consideration of a commission per Barrel payable to such **CONTRACTOR** Entity, in accordance with Article 28.

- 24.7 If, pursuant to Article 24.3, the **GOVERNMENT** receives the Royalty in cash:
- (a) any Export Crude Oil shall be valued at the International Market Price obtained at the Delivery Point, as defined in Article 27.2;
 - (b) any Export Non-Associated Natural Gas shall be valued at the actual price obtained at the Delivery Point under an approved contract, as provided in Article 27.3;
 - (c) the **CONTRACTOR** shall pay such Royalty each Quarter, in arrears, within thirty (30) days of the end of each Quarter, and shall calculate the payment due for the relevant Quarter by reference to the price for the Export Petroleum at the Delivery Point, determined in accordance with paragraphs (a) and (b) above, and the Royalty due on the Export Petroleum, determined in accordance with Article 24.4, for the said Quarter; and
 - (d) the **CONTRACTOR** Entities shall be entitled to export freely the volume of Export Petroleum corresponding to the Royalty determined in accordance with Article 24.4 for the purpose of paying the Royalty in cash.

ARTICLE 25 – RECOVERY OF PETROLEUM COSTS

- 25.1 All Export Crude Oil produced and saved from the Contract Area shall, after deduction of any quantities of Export Crude Oil due for Royalty pursuant to Article 24, be considered as “**Available Crude Oil**”.

All Associated Natural Gas produced and saved from the Contract Area, except for Associated Natural Gas which is used in Petroleum Operations, re-injected in a Petroleum Field, lost, flared or cannot be used or sold, shall be considered as “**Available Associated Natural Gas**”.

All Export Non-Associated Natural Gas produced and saved from the Contract Area shall, after deduction of any quantities of Export Non-Associated Natural Gas due for Royalty pursuant to Article 24, be considered as “**Available Non-Associated Natural Gas**”.

“**Available Petroleum**” means Available Crude Oil, Available Associated Natural Gas and Available Non-Associated Natural Gas.

- 25.2 For the purpose of this Article 25:
- (a) any Available Crude Oil shall be valued at the International Market Price obtained at the Delivery Point, as defined in Article 27.2; and

KS

JBG
TK

- (b) any Available Associated Natural Gas and any Available Non-Associated Natural Gas shall be valued at the actual price obtained at the Delivery Point under an approved contract, as provided in Article 27.3.
- 25.3 Subject to the provisions of this Contract, from the First Production in the Contract Area, the **CONTRACTOR** shall at all times be entitled to recover all Petroleum Costs incurred under this Contract, of up to forty per cent (40%) of Available Crude Oil (which, for the avoidance of doubt, shall apply regardless of the gravity of the oil) and Available Associated Natural Gas, produced and saved within any Calendar Year. Available Crude Oil above this percentage or otherwise not used for the recovery of Petroleum Costs shall be Profit Crude Oil.
- 25.4 Subject to the provisions of this Contract, from First Production in the Contract Area, the **CONTRACTOR** shall at all times be entitled to recover all Petroleum Costs incurred under this Contract of up to fifty per cent (50%) of Available Non-Associated Natural Gas produced and saved within any Calendar Year. Available Non-Associated Natural Gas above this percentage or otherwise not used for the recovery of Petroleum Costs shall be Profit Natural Gas.
- 25.5 For the application of Article 25.3 and 25.4, the **CONTRACTOR** shall keep a detailed account of Petroleum Costs in accordance with the provisions detailed in the Accounting Procedure. Recovery of Petroleum Costs shall occur in the following order:
- (a) Production Costs;
 - (b) Exploration Costs (including appraisal costs and further exploration within the Contract Area);
 - (c) Gas Marketing Costs;
 - (d) Development Costs; and
 - (e) Decommissioning Costs.
- 25.6 Total recovery of Petroleum Costs during any Calendar Year, expressed in quantities of Petroleum, shall not exceed the relevant percentages indicated in Articles 25.3 and 25.4. If in any Calendar Year, the Available Crude Oil and/or Available Non-Associated Natural Gas do not allow the **CONTRACTOR** to recover all its Petroleum Costs pursuant to this Article 25, the amount of un-recovered Petroleum Costs in such Calendar Year shall be carried forward indefinitely to the subsequent Calendar Years until all Petroleum Costs are fully recovered, but, save as provided in Articles 14.10 and 38.4, in no other case after the termination of the Contract.
- 25.7 The provisions of Articles 27.5 and 27.6 shall be applied to determine the quantities of Available Crude Oil and/or Available Non-Associated Natural Gas due to the **CONTRACTOR** for the recovery of its Petroleum Costs.
- 25.8 The quantities of Petroleum corresponding to the share of Available Petroleum due to the **CONTRACTOR** for the recovery of its Petroleum Costs shall be delivered to the

KS

JBC
TF

CONTRACTOR at the Delivery Point. Title and risk of loss of such Available Petroleum shall be transferred at the Delivery Point.

- 25.9 Each **CONTRACTOR** Entity shall be entitled to receive, take in kind and to export freely all Available Petroleum to which it is entitled for recovery of its Petroleum Costs in accordance with the provisions of this Contract and to retain Abroad any proceeds from the sale of all such Available Petroleum. Petroleum Costs in each Production Area shall be recovered from Available Petroleum from that Production Area.
- 25.10 Subject to Article 38.4, for the avoidance of doubt, Petroleum Costs under this Contract are not recoverable against other contract areas held by the **CONTRACTOR**.

ARTICLE 26 – SHARING OF PROFIT PETROLEUM

- 26.1 Under this Contract,
- (a) “**Profit Petroleum**” means Profit Crude Oil and Profit Natural Gas;
 - (b) “**Profit Crude Oil**” means the quantities of Available Crude Oil and Available Associated Natural Gas produced from the Production Area, after the recovery of Petroleum Costs, in accordance with Articles 1 and 25; and
 - (c) “**Profit Natural Gas**” means the quantities of Available Non-Associated Natural Gas produced from the Production Area, after the recovery of Petroleum Costs in accordance with Articles 1 and 25.
- 26.2 From First Production and as and when Petroleum is being produced, the **CONTRACTOR** shall be entitled to take a percentage share of Profit Crude Oil and/or Profit Natural Gas, in consideration for its investment in the Petroleum Operations, which percentage share shall be determined in accordance with Article 26.5.
- 26.3 To determine the percentage share of Profit Crude Oil and/or Profit Natural Gas to which the **CONTRACTOR** is entitled, the “R” Factor shall be calculated in accordance with Article 26.4 and shall be applied separately to each Production Area.
- 26.4 The “R” Factor shall be calculated as follows:
- R = X/Y**
- where:
- X:** is equal to Cumulative Revenues actually received by the **CONTRACTOR**;
 - Y:** is equal to Cumulative Costs actually incurred by the **CONTRACTOR**.

KS

JBC
TR

For the purpose of this Article 26.4:

"Cumulative Revenues" means total Revenues, as defined below, received by the **CONTRACTOR** until the end of the relevant Semester, determined in accordance with Article 26.7.

"Revenues" means the total amount actually received by the **CONTRACTOR** for recovery of its Petroleum Costs and its share of Profit Petroleum in the Production Area.

"Cumulative Costs" means all Petroleum Costs in the Production Area, actually incurred by the **CONTRACTOR** until the end of the relevant Semester, determined in accordance with Article 26.7.

Notwithstanding the foregoing provisions of this Article 26.4, for the period from First Production until the end of the Calendar Year in which First Production occurs, the "R" Factor shall be deemed to be less than one (1).

26.5 The share of Profit Petroleum to which the **CONTRACTOR** shall be entitled from First Production is:

- (a) for Profit Crude Oil, equal to the quantities of Petroleum resulting from the application of the relevant percentage as indicated below to the daily volume of production of Profit Crude Oil within the Production Area at the corresponding Delivery Point:

"R" Factor CONTRACTOR's % Share of Profit Crude Oil

R < or = 1 30%

1 < R < or = 2 $30 - (30 - 15) * (R - 1) / (2 - 1)$

R > 2 15%

and

- (b) for Profit Natural Gas, equal to the quantities of Non-Associated Natural Gas resulting from the application of the relevant percentage as indicated below to the daily volume of production of Profit Natural Gas within the Production Area at the corresponding Delivery Point:

"R" Factor CONTRACTOR's % Share of Profit Natural Gas

R < or = 1 35%

1 < R < or = 2.75 $35 - (35 - 18) * (R - 1) / (2.75 - 1)$

R > 2.75 18%

26.6 The **CONTRACTOR's** accounting shall account separately for all components for the calculation of "X" and "Y" values in the formula provided in Article 26.4.

KS

JSG
TR

26.7 For each Semester, starting from the 1st of January of the Calendar Year following the Calendar Year in which First Production occurs, the **CONTRACTOR** shall calculate the "R" Factor applicable to the relevant Semester within thirty (30) days of the beginning of such Semester. The "R" Factor to be applied during a Semester shall be that determined by applying the Cumulative Revenues actually received and the Cumulative Costs actually incurred up to and including the last day of the preceding Semester.

If the **CONTRACTOR** is unable to calculate the "R" Factor for the relevant Semester before an allocation of Profit Petroleum for such Semester must be made, then the allocation of Profit Petroleum for the previous Semester shall be used for the relevant Semester. Upon the calculation of the "R" Factor for the relevant Semester:

- (a) if the allocation of Profit Petroleum in the previous Semester and the relevant Semester is the same, then no adjustment shall be made; and
- (b) if the allocation of the Profit Petroleum in the two Semesters is different, then the **CONTRACTOR** shall make any adjustments to the Parties' respective shares of Profit Petroleum to restore them to the position that they would have been in had the "R" Factor for the relevant Semester been available from the start of such Semester.

26.8 If at any time an error occurs in the calculation of the "R" Factor, resulting in a change in the **CONTRACTOR**'s percentage share of Profit Crude Oil and/or Profit Natural Gas, the necessary correction shall be made and any adjustments shall apply from the Semester in which the error occurred. The Party having benefited from a surplus of Profit Petroleum shall surrender such surplus to the other Party, beginning from the first day of the Semester following the Semester in which the error was recognised. However, each lifting of Petroleum relating to such error by the Party receiving the surplus shall not exceed twenty-five per cent (25%) of the share of Profit Petroleum to which such surrendering Party is entitled. For the avoidance of doubt, if at any time an error occurs in the calculation of the "R" Factor, which does not result in a change in the **CONTRACTOR**'s percentage share of Profit Crude Oil and/or Profit Natural Gas, no correction shall be made.

26.9 The quantities of Profit Petroleum due to the **CONTRACTOR** shall be delivered to the **CONTRACTOR** Entities at the Delivery Point. Title and risk of loss of such Profit Petroleum shall be transferred to the **CONTRACTOR** Entities at the Delivery Point.

Each **CONTRACTOR** Entity shall be entitled to receive, take in kind and to export freely its share of Profit Petroleum in accordance with the provisions of this Contract and to retain Abroad any proceeds from the sale of all such Profit Petroleum.

26.10 The share of the Profit Petroleum to which the **GOVERNMENT** is entitled in any Calendar Year in accordance with Article 26.5 shall be deemed to include a portion representing the corporate income tax imposed upon and due by each **CONTRACTOR** Entity, and which will be paid directly by the **GOVERNMENT** on behalf of each such entity representing the **CONTRACTOR** to the appropriate tax authorities in accordance with Article 31.2. The **GOVERNMENT** shall provide the

KS

JBC
TA

CONTRACTOR Entities with all written documentation and evidence reasonably required by the **CONTRACTOR** Entities to confirm that such corporate income tax has been paid by the **GOVERNMENT**.

- 26.11 The quantities of Profit Petroleum due to the **GOVERNMENT** shall be delivered to the **GOVERNMENT** at the Delivery Point. Title and risk of loss of such Profit Petroleum shall be transferred at the Delivery Point.
- 26.12 At least twenty-one (21) days prior to **CONTRACTOR**'s estimated date of First Production and, subsequently, thirty (30) days prior to the beginning of each Semester, the **CONTRACTOR** shall prepare and deliver to the **GOVERNMENT** a production program comprising the production forecast for the next Semester and the forecast of the quantities of Crude Oil and Natural Gas to which each Party shall be entitled during the said Semester.
- 26.13 Within ninety (90) days following the end of each Calendar Year, the **CONTRACTOR** shall prepare and deliver an annual production report to the **GOVERNMENT**, stating the quantities of Crude Oil and Natural Gas to which each Party is entitled, the quantities of Crude Oil and Natural Gas lifted by each Party and the resulting over-lift or under-lift position of each Party, pursuant to the lifting agreement entered into pursuant to Article 16.14.
- 26.14 Any costs or expenditure incurred by the **CONTRACTOR**, its Subcontractors or suppliers relating to the lifting of the **GOVERNMENT**'s share of Petroleum by the **CONTRACTOR** shall not be considered Petroleum Costs and shall be charged to the **GOVERNMENT** according to terms to be mutually agreed between the **CONTRACTOR** and the **GOVERNMENT**.

ARTICLE 27 – VALUATION AND METERING OF CRUDE OIL AND NATURAL GAS

Valuation

- 27.1 For the purpose of this Contract, any Crude Oil produced in the Contract Area shall be valued at the end of each Quarter at the Delivery Point based on the International Market Price, as defined in Article 27.2.
- 27.2 The "International Market Price" referred to in Article 27.1 shall be the weighted average price per Barrel, expressed in Dollars, obtained by the **CONTRACTOR** at the Delivery Point, by netback if necessary, during the Quarter ending on the date of valuation for Arm's Length Sales of Crude Oil.

The **CONTRACTOR** shall provide evidence to the **GOVERNMENT** that the sales of Crude Oil referred to in Article 27.2 are Arm's Length Sales. If the **GOVERNMENT** considers that any such sale of Crude Oil is not on the basis of an Arm's Length Sale then the **GOVERNMENT** has the right to refer the matter to an expert pursuant to Article 42.2.

In the event that there is no lifting of Crude Oil in the relevant Quarter or no Arm's Length Sales, the applicable "International Market Price" for such Quarter shall be

KS

JBC
TR

the weighted average price per Barrel obtained during that Quarter from Arm's Length Sales of Crude Oil of the same or similar gravity and quality from other production areas sold in markets competing with Crude Oil produced from the Contract Area, taking into account gravity and quality differences and transportation and other post Delivery Point costs.

To determine such price, the Parties shall, prior to the commencement of Production, agree on a basket of Crude Oil comparable to those produced in the Contract Area and sold in the international market. Prices obtained shall be adjusted to account for any variations such as quality, specific gravity, sulphur content, transportation costs, product yield, seasonal variations in price and demand, general market trends and other terms of sale.

- 27.2.1 If, and for so long as, the **CONTRACTOR** is required by the **GOVERNMENT** to sell all Crude Oil within Iraq due to restrictions in transporting such Crude Oil to access international markets then, notwithstanding other provisions of this Article 27.2, the **CONTRACTOR** shall, subject to the prior approval of the **GOVERNMENT**, sell such Crude Oil at the best price reasonably obtainable within Iraq.
- 27.3 The price of Natural Gas shall be the actual price obtained at the Delivery Point, (which may take into account quantities to be sold, quality, geographic location of markets to be supplied as well as costs of production, transportation and distribution of Natural Gas from the Delivery Point to the relevant market, in accordance with standard international petroleum industry practice). The **GOVERNMENT** shall have the right to review and approve Natural Gas sales contracts.

Accounting Statement

- 27.4 In accordance with this Article 27.4, the **GOVERNMENT** and the **CONTRACTOR** shall establish a statement showing calculations of the value of Petroleum produced and sold from the Contract Area. Such statement shall include following information:
- (a) quantities of Crude Oil sold by the **CONTRACTOR** Entities during the preceding Month constituting Arm's Length Sales together with corresponding sale prices;
 - (b) quantities of Crude Oil sold by the **CONTRACTOR** Entities during the preceding Month that do not fall in the category referred to in paragraph (a) above, together with sale prices applied during such Month;
 - (c) inventory in storage belonging to the **CONTRACTOR** Entities at the beginning and at the end of the Month; and
 - (d) quantities of Natural Gas sold by the **CONTRACTOR** Entities and the **GOVERNMENT** together with sale prices realised.

Metering

- 27.5 All Export Petroleum shall be metered at the Delivery Point in accordance with prudent international petroleum industry practice and such meters shall be to fiscal

KC

JBC
TZ

meter standards. All metering equipment shall be installed and operated by the **CONTRACTOR**. The **GOVERNMENT** shall, on receipt by the **CONTRACTOR** of reasonable prior written notice, have the right to inspect any such metering equipment installed by the **CONTRACTOR**, as well as all relevant documents and supporting information reasonably necessary to validate the accuracy of such metering. All metering equipment shall be subject to periodic technical inspections in accordance with prudent international petroleum industry practice.

- 27.6 If any metering equipment is defective, the **CONTRACTOR** shall use all reasonable endeavours to repair it within fifteen (15) days or, if deemed necessary by the **CONTRACTOR**, replace it as soon as reasonably practicable from the date the defect became known. The "Adjustment Date" shall be the last date that the metering equipment was known or agreed to have been measuring correctly, or if not known or agreed, the date that is midway between the date the defect was discovered and the last date the equipment was known to have measured correctly. The results from the defective equipment shall be disregarded for the period from the Adjustment Date until the date the defective equipment is repaired or replaced and the measurement for such period shall be estimated:
- (a) if check measuring equipment is installed and registering accurately, then by using the measurements recorded by such check measuring equipment;
 - (b) if check measuring equipment is not installed or not registering accurately, then by correcting the error if the percentage of error is ascertainable by verification, calibration or mathematical calculation; or
 - (c) if neither method is feasible, then by estimating the volume and/or quantity delivered based on deliveries during the preceding comparable period of time when the metering equipment was registered accurately.
- 27.7 Any disputes arising under this Article 27 shall be settled by expert determination in accordance with the provisions of Article 42.2.

ARTICLE 28 – SALE OF GOVERNMENT SHARE

Upon the **GOVERNMENT**'s prior written notice of at least ninety (90) days, each **CONTRACTOR** Entity shall provide all reasonably necessary assistance to the **GOVERNMENT** for the sale of all or part of the quantities of Crude Oil to which the **GOVERNMENT** is entitled, in consideration of a sales commission per Barrel to be established with reference to prudent international petroleum practice and to be mutually agreed upon between the Parties.

ARTICLE 29 – FINANCIAL PROVISIONS

- 29.1 Any payment to be made by a **CONTRACTOR** Entity to the **GOVERNMENT** pursuant to this Contract shall be in Dollars and shall be offset against any outstanding payments due by the **GOVERNMENT** to the **CONTRACTOR** Entity, or paid into the bank account duly designated by the **GOVERNMENT** in writing and

KS

JB
TK

shall be paid within thirty (30) days of the due date, after which interest compounded monthly at the rate of LIBOR plus two (2) percentage points shall be applied.

29.2 The **GOVERNMENT** may, at its sole discretion, direct the **CONTRACTOR** Entities to pay:

- (a) any Royalty in cash due to the **GOVERNMENT** pursuant to the provisions of Article 24; and/or
- (b) any proceeds from the sale undertaken by the **CONTRACTOR** Entity on behalf of the **GOVERNMENT** pursuant to Article 28 of any Crude Oil to which the **GOVERNMENT** is entitled pursuant to Article 25; and/or
- (c) any Production Bonus,

to a fund for revenue sharing, which may in due course be established by legislation consistent with the Constitution of Iraq, between the Government of Iraq and other regions (including the Kurdistan Region) and governorates of Iraq. Nothing in this Article 29.2 shall be understood as implying any contractual relationship or other relationship between the **CONTRACTOR** and/or any **CONTRACTOR** Entity and the Government of Iraq and/or the regions of Iraq (other than the Kurdistan Region) and/or and governorates of Iraq.

29.3 Any payment due by the **GOVERNMENT** to a **CONTRACTOR** Entity shall be offset against future payments due by such **CONTRACTOR** Entity to the **GOVERNMENT**, or paid in Dollars to the bank account designated by the **CONTRACTOR** Entity in writing and shall be paid within thirty (30) days of the date of invoice, after which interest compounded monthly at the rate of LIBOR plus two (2) percentage points shall be applied.

29.4 Any currency conversion to be made under this Contract shall be at the exchange rate of the Central Bank of Iraq, provided such exchange rate applied to the **CONTRACTOR** Entities shall not be less favourable than the rate offered by other private, commercial or industrial banks in the international market. In the absence of the Central Bank of Iraq or in the event that the Central Bank of Iraq is unable to provide the relevant exchange rate, any currency conversion to be made under this Contract shall be at the exchange rate of a reputable commercial bank carrying on business in the international market and approved by the Parties.

29.5 The **CONTRACTOR** shall not realise any gain or loss due to exchange rate fluctuations and, consequently, any gain or loss resulting from the exchange of currency shall be either considered as revenue and credited to the Accounts or shall be considered as a Petroleum Cost and shall be recovered by the **CONTRACTOR** in accordance with Articles 1 and 25, as the case may be.

29.6 Each **CONTRACTOR** Entity shall at all times be entitled to freely convert into Dollars or any other foreign currency any Iraqi dinars received in the framework of the Petroleum Operations and to freely transfer the same Abroad. The conversion rate shall be as provided under Article 29.4.

KC

JDK
TR

- 29.7 Each **CONTRACTOR** Entity shall have the right to be paid, receive, keep, transfer and use Abroad, without any restrictions, all proceeds of its share of Petroleum.
- 29.8 Each **CONTRACTOR** Entity and its Subcontractors shall have the right to freely open and maintain bank accounts for Petroleum Operations within or outside the Kurdistan Region and other parts of Iraq.
- 29.9 Each **CONTRACTOR** Entity shall have the right to pay in any freely convertible currency all its financial requirements for the Petroleum Operations and to convert these currencies to Iraqi dinars in any bank in the Kurdistan Region or other parts of Iraq, at the same exchange rate as provided under Article 29.4.
- 29.10 Each **CONTRACTOR** Entity shall have the right, without any restrictions, to freely repatriate Abroad and to freely dispose of:
- (a) any proceeds received in the Kurdistan Region or other parts of Iraq from the sale of Petroleum;
 - (b) any proceeds received from other operations and activities carried out under this Contract in the Kurdistan Region or other parts of Iraq.
- 29.11 Each **CONTRACTOR** Entity shall have the right to pay in any foreign currency its Subcontractors and its expatriate personnel, either in the Kurdistan Region, other parts of Iraq, or Abroad. Said Subcontractors and expatriate personnel shall be obliged to transfer to the Kurdistan Region the amount of foreign currency required for their local needs and they shall have the right to repatriate the proceeds of the sale of their belongings in accordance with the regulations in force in the Kurdistan Region.
- 29.12 Each **CONTRACTOR** Entity's Affiliates, Subcontractors and their personnel shall equally benefit from the same rights as such **CONTRACTOR** Entity and its personnel as regards this Article 29.
- 29.13 For the financing of Petroleum Operations, each **CONTRACTOR** Entity shall have the right to have recourse to external financing from third parties or from its Affiliated Companies on an arm's length basis.

ARTICLE 30 – CUSTOMS PROVISIONS

- 30.1 All services, material, equipment, goods, consumables and products imported into the Kurdistan Region and other parts of Iraq by the **CONTRACTOR**, any **CONTRACTOR** Entity, its Affiliates, any Subcontractor or any agent of any of the foregoing, for use or consumption in the Petroleum Operations shall be admitted free and exempt from any and all Taxes on import. The **CONTRACTOR**, any **CONTRACTOR** Entity, its Affiliates, any Subcontractor or any agent of any of the foregoing shall have the right to re-export from the Kurdistan Region and other parts of Iraq free from all Taxes on export any material, equipment, goods, consumables and products that are no longer required for the Petroleum Operations, except where title has passed to the **GOVERNMENT** in accordance with Article 20, in which case re-export shall be approved by the Management Committee.

KS

JBL
TK

- 30.2 The **CONTRACTOR**, any **CONTRACTOR** Entity, its Affiliates, any Subcontractor or any agent of any of the foregoing, and their personnel (including their family members) shall have the right to freely import into the Kurdistan Region and other parts of Iraq and re-export from the Kurdistan Region and other parts of Iraq any personal belongings and furniture free and exempt from any Taxes on import or export. The sale in the Kurdistan Region and other parts of Iraq of personal belongings and furniture of expatriate personnel shall comply with Kurdistan Region Law.
- 30.3 Each **CONTRACTOR** Entity and its Affiliates shall be entitled to freely export from the Kurdistan Region and other parts of Iraq, free of any Taxes, any Petroleum to which it is entitled pursuant to the provisions of this Contract.
- 30.4 The **GOVERNMENT** shall indemnify the **CONTRACTOR**, any **CONTRACTOR** Entity, its Affiliates, any Subcontractor or any agent of any of the foregoing, and their personnel (including their family members) for any import or export Taxes referred to in Articles 30.1, 30.2 or 30.3.

ARTICLE 31 – TAX PROVISIONS

- 31.1 Except as expressly provided in this Article 31, and without prejudice to the exemptions expressly provided for in Article 30 and in this Article 31, each **CONTRACTOR** Entity, its Affiliates and any Subcontractor shall, for the entire duration of this Contract, be exempt from all Taxes as a result of its income, assets and activities under this Contract. The **GOVERNMENT** shall indemnify each **CONTRACTOR** Entity upon demand against any liability to pay any Taxes assessed or imposed upon such entity which relate to any of the exemptions granted by the **GOVERNMENT** under this Article 31.1, and under Articles 31.4 to 31.11.
- 31.2 Each **CONTRACTOR** Entity shall be subject to corporate income tax on its income from Petroleum Operations as provided in Article 31.3, which shall be deemed to be inclusive and in full and total discharge of any Tax on income, receipts, revenues, gains or profits of each such entity. Payment of the said corporate income tax shall be made for the entire duration of this Contract directly to the official Kurdistan Region tax authorities by the **GOVERNMENT**, for the account of each **CONTRACTOR** Entity, from the **GOVERNMENT**'s share of the Profit Petroleum received pursuant to Article 26.

Each **CONTRACTOR** Entity shall, within sixty (60) days after the end of each tax year, provide a statement to the appropriate Kurdistan Region tax authorities of its profits which are subject to corporate income tax, together with a calculation of the amount of corporate income tax due on those profits.

The **GOVERNMENT** shall, within ninety (90) days after the end of each tax year, provide to each **CONTRACTOR** Entity (i) the appropriate official tax receipts from the appropriate Kurdistan Region tax authorities or other relevant authority certifying

the payment of its corporate income tax, as determined in the said statement, and that such entity has met all its Tax obligations in the preceding tax year, and (ii) a copy of any return or other filing made by the **GOVERNMENT** in respect of its payment of corporate income tax on behalf of such **CONTRACTOR** Entity.

31.3 For the purposes of Article 31.2:

- (a) The rate of corporate income tax to be applied to each **CONTRACTOR** Entity shall be the generally applicable rate prescribed in the Law of Taxation (Law No. 5 of 1999), passed by the National Assembly of the Kurdistan Region, as may be amended from time to time or substituted in respect of Petroleum Operations (as defined under the Kurdistan Region Oil and Gas Law) by a petroleum operations taxation law for the Kurdistan Region, but in no event in excess of forty per cent (40%). The Parties acknowledge and agree that at the Effective Date of this Contract, the corporate income tax rate is forty per cent (40%) for all net taxable profits in excess of nine million Iraqi dinar.
- (b) The **GOVERNMENT** and the **CONTRACTOR** agree that corporate income tax shall be calculated for each **CONTRACTOR** Entity on its net taxable profits under the Contract, as calculated in accordance with the provisions relating thereto in the Accounting Procedure.

31.4 Each **CONTRACTOR** Entity, its Affiliates as well as any Subcontractors shall be exempt from any withholding tax applicable on any payments made to them or by them to or from Affiliates or third parties, whether inside or outside the Kurdistan Region and/or Iraq, for the entire duration of this Contract.

31.5 Each **CONTRACTOR** Entity and its Affiliates shall be exempt from Additional Profits Tax, as referred to in Article 40 of the Kurdistan Region Oil and Gas Law or any successor Tax.

31.6 Each **CONTRACTOR** Entity and its Affiliates shall be exempt from Surface Tax, as referred to in Article 40 of the Kurdistan Region Oil and Gas Law or any successor Tax.

31.7 Each **CONTRACTOR** Entity and its Affiliates shall be exempt from Windfall Profits Taxes, as referred to in Article 40 of the Kurdistan Region Oil and Gas Law or any successor Tax.

31.8 Each **CONTRACTOR** Entity and any Subcontractor shall be subject to the payment or withholding of the personal income tax and social security contributions for which such entity or Subcontractor is liable to pay or withhold in respect of its employees who are Iraqi nationals, pursuant to the Law of Taxation (Law No. 5 of 1999) passed by the National Assembly of the Kurdistan Region, as may be amended from time to time, in the same manner as the same shall be generally applied to all other industries, except that a **CONTRACTOR** Entity or Subcontractor shall not be liable for such taxes or contributions with respect to employees of another Person.

31.9 It is acknowledged that double tax treaties will have effect to give relief from taxes to, but not limited to, the **CONTRACTOR**, **CONTRACTOR** Entities, Subcontractors

KS

and employees and other Persons in accordance with the provisions of such double tax treaties, but shall not impose an additional burden of taxation.

- 31.10 Any value added tax ("VAT") shall be considered as a Petroleum Cost and shall be cost recovered in accordance with the provisions of Articles 1 and 25.
- 31.11 Any value added tax ("VAT"), not otherwise recoverable by the **CONTRACTOR** under VAT law, shall be considered as a Petroleum Cost and shall be cost recovered in accordance with the provisions of Articles 1 and 25.
- 31.12 Notwithstanding any other provision to the contrary in this Contract, the Parties acknowledge and agree that the provisions of this Article 31 shall apply individually and separately to all **CONTRACTOR** Entities under this Contract and that there shall be no joint and several liability in respect of any liability, duty or obligation referred to in this Article 31.

ARTICLE 32 – BONUSES

Signature Bonus

- 32.1 A signature bonus of one million Dollars (US\$1,000,000) ("**Signature Bonus**") shall be payable to the **GOVERNMENT** by **Gulf Keystone Petroleum International Limited** on the declaration of the first Commercial Discovery (the "First Commercial Declaration Date").

Capacity Building Bonus

- 32.2 A capacity building bonus of nineteen million Dollars (US\$19,000,000) ("**Capacity Building Bonus**") shall be payable to the **GOVERNMENT** by **Gulf Keystone Petroleum International Limited** on the declaration of the first Commercial Discovery (the "First Commercial Declaration Date"). The **GOVERNMENT** undertakes to allocate it exclusively to the "aid & support Fund of martyrs, Anfalized & victims of genocide" created under Law no. 37-2007 of the Kurdistan Region.

Production Bonuses

- 32.3 The **CONTRACTOR** shall pay the following relevant Crude Oil Production Bonus to the **GOVERNMENT** within thirty (30) days of the following relevant occurrence:
- (a) Two million five hundred thousand Dollars (US \$2,500,000.00) when First Production of Crude Oil from the Contract Area commences;
 - (b) Five million Dollars (US \$5,000,000) when production of Crude Oil from the Contract Area reaches a cumulative amount of ten million Barrels of Crude Oil (10 mmbo);
 - (c) Ten million Dollars (US \$10,000,000) when production of Crude Oil from the Contract Area reaches a cumulative amount of twenty five million Barrels of Crude Oil (25 mmbo) ; and

- (d) Twenty million Dollars (US \$20,000,000) when production of Crude Oil from the Contract Area reaches a cumulative amount of fifty million Barrels of Crude Oil (50 mmbo).
- 32.4 In the event of a Non-Associated Natural Gas Commercial Discovery, the **CONTRACTOR** shall pay the following relevant Non-Associated Natural Gas Production Bonus to the **GOVERNMENT** within thirty (30) days of the following relevant occurrence:
- (a) Two million five hundred thousand Dollars (US \$2,500,000) when First Production of Non-Associated Natural Gas from the Contract Area commences;
- (b) Five million Dollars (US \$5,000,000) when production of Non-Associated Natural Gas from the Contract Area reaches a cumulative amount of ten million barrels of oil equivalent (10 mmboe);
- (c) Ten million Dollars (US \$10,000,000) when production of Non-Associated Natural Gas from the Contract Area reaches a cumulative amount of twenty five million barrels of oil equivalent (25 mmboe); and
- (d) Twenty million Dollars (US \$20,000,000) when production of Non-Associated Natural Gas from the Contract Area reaches a cumulative amount of fifty million barrels of oil equivalent (50 mmboe).
- 32.5 For the purposes of this Article 32, a Commercial Discovery shall be declared by the **CONTRACTOR** to be either a Crude Oil Commercial Discovery or a Non-Associated Gas Commercial Discovery and under no circumstances shall a Production Bonus be due in respect of both Crude Oil and Non-Associated Natural Gas for the same Commercial Discovery.

Bonus cost recovery and payment

- 32.6 No bonus due pursuant to this Article 32 shall be deemed to be a Petroleum Cost.
- 32.7 Payment by the **CONTRACTOR** of any bonus due pursuant to this Article 32 shall be made in Dollars by wire transfer to a specified bank account of the **GOVERNMENT** or by banker's draft and on receipt thereof the **GOVERNMENT** shall forthwith issue a written receipt to the **CONTRACTOR** duly executed by the Minister of Natural Resources of the **GOVERNMENT** or such other officer of the **GOVERNMENT** who shall be duly authorised to issue such receipt under Kurdistan Region Law.

ARTICLE 33 – PIPELINES

- 33.1 The **GOVERNMENT** shall obtain any required Permits for the transportation by **CONTRACTOR** Entities of Petroleum in the Kurdistan Region and in Iraq, as well as any necessary Permits and easement rights for the construction of any pipelines and related facilities required for the Petroleum Operations, as provided in Article 33.2.

RS

JBC
K

33.2 The **GOVERNMENT** undertakes to transfer to the **CONTRACTOR** its rights for transportation of Petroleum by pipeline. The **CONTRACTOR** shall have the right to design, construct, operate and maintain pipelines and any related facilities for the transportation of Petroleum produced under this Contract.

33.3 Prior to the construction of any pipeline and related facilities as provided in Article 33.2, the **CONTRACTOR** shall submit following information to the Management Committee:

- (a) proposed pipeline route and related facilities;
- (b) forecasted pipeline flow rate and capacity;
- (c) estimate of financial investment and operating costs of the pipeline and related facilities;
- (d) proposed financing schedule;
- (e) construction schedule;
- (f) general technical description of the pipeline and related facilities;
- (g) construction plans and tests;
- (h) preventive measures for damage to the environment and third parties; and
- (i) any other information relating to the pipeline project.

The Management Committee shall examine all the above information and shall within ninety (90) days, approve the proposed pipeline project in accordance with the provisions of Article 8.5.

33.4 Subject to spare capacity being available and to their Petroleum being compatible, third parties shall be entitled to transport their Petroleum through any pipeline constructed by the **CONTRACTOR** in accordance with this Article 33 on terms to be agreed between the **CONTRACTOR** and such third party. Those terms shall be reasonable commercial terms and shall not discriminate among third party users. The **CONTRACTOR** shall always have priority of access to such pipelines.

33.5 To the extent that they are incurred upstream of the Delivery Point, any costs associated with the design, construction, operation and maintenance of the pipelines and related facilities by **CONTRACTOR** under this Article 33 ("**Pipeline Costs**") shall be considered Petroleum Costs and shall be recovered by the **CONTRACTOR** in accordance with the provisions of Articles 1 and 25.

33.6 The **CONTRACTOR** shall have the absolute right, without any exceptions and for the entire duration of this Contract, to use, free of charge, any pipeline and related facilities constructed by **CONTRACTOR** under this Article 33 and to transport Petroleum produced from any Production Area and to operate and maintain any pipeline and its related facilities, freely and without any additional costs.

KS

JBL
TK

- 33.7 To the extent related to transportation upstream of the Delivery Point, any tariffs received from third parties for use of any pipeline and related facilities by **CONTRACTOR** under this Article 33 shall be applied to the recovery of Petroleum Costs until all Pipeline Costs have been fully recovered by the **CONTRACTOR** pursuant to the provisions of Articles 1 and 25 and shall not be included in income for corporate income tax purposes. The **GOVERNMENT** shall be entitled to receive any such tariffs from third parties for their use of such pipeline and related facilities when the said Pipeline Costs have been fully recovered by the **CONTRACTOR**. The costs associated with providing such transportation services for third parties up to the Delivery Point shall be considered Pipeline Costs and therefore Petroleum Costs and shall be recovered by the **CONTRACTOR** in accordance with the provisions of Articles 1 and 25.
- 33.8 Upon recovery by the **CONTRACTOR** of all the Pipeline Costs, the operating and maintenance costs of any pipeline and its related facilities shall be borne by the **CONTRACTOR** and shall be considered Petroleum Costs and shall be recovered by the **CONTRACTOR** in accordance with the provisions of Articles 1 and 25.
- 33.9 The **GOVERNMENT** shall have the same rights as the **CONTRACTOR** for use, free of charge, of any pipeline and related facilities constructed by **CONTRACTOR** under this Article 33 for the transportation of the share of Petroleum to which the **GOVERNMENT** is entitled under this Contract up to the Delivery Point, provided that where the **GOVERNMENT** is participating in its capacity as a **CONTRACTOR** Entity pursuant to Article 4, it shall be liable for its share of Petroleum Costs.
- 33.10 The **CONTRACTOR** shall bear the cost of operation and maintenance of any pipeline and related facilities constructed by **CONTRACTOR** under this Article 33 and all risks of accidental loss or damage to such pipeline and related facilities while they are required for Petroleum Operations.

ARTICLE 34 – UNITISATION

- 34.1 In the event a Reservoir extends beyond the Contract Area into an adjacent area which is the subject of another Petroleum Contract (as defined by the Kurdistan Region Oil and Gas Law) (an "**Adjacent Contract Area**"), or in the event a Reservoir of an Adjacent Contract Area extends into the Contract Area, the provisions of Article 47, Paragraph Second of the Kurdistan Region Oil and Gas Law shall apply and the **GOVERNMENT** shall require the **CONTRACTOR** and the contractor of the Adjacent Contract Area to agree upon a schedule for reaching agreement of the terms of the unitisation of the Reservoir, which terms shall be based on reliable technical, operational and economical parameters, all in accordance with prudent international petroleum industry practice. In the event that the Minister of Natural Resources decides the unitisation pursuant to Article 47, Paragraph Third of the Kurdistan Region Oil and Gas Law, and if the **CONTRACTOR** does not agree with the decision of the Minister of Natural Resources, the **CONTRACTOR** shall be entitled to arbitration pursuant to the provisions of Article 42.1.
- 34.2 For clarification and the avoidance of doubt and notwithstanding Article 47 of the Kurdistan Region Oil and Gas Law, in the event that a Reservoir extends beyond the

LRS

JAG
TR

boundaries of the Contract Area into an adjacent area which is not the subject of another Petroleum Contract (as defined by the Kurdistan Region Oil and Gas Law), the **GOVERNMENT** shall, upon the **CONTRACTOR**'s request, take the necessary steps to extend the boundaries of Contract Area so as to include the entire Reservoir within the Contract Area, provided that the **CONTRACTOR** can offer the **GOVERNMENT** a competitive minimum work program for such adjacent area.

ARTICLE 35 – LIABILITY AND INSURANCE

Liability

- 35.1 Subject to the other provisions of this Contract, the **CONTRACTOR**, in its capacity as the entity responsible for the execution of the Petroleum Operations within the Contract Area, shall be liable to third parties to the extent provided under applicable Law for any losses and damage it may cause to them in conducting the Petroleum Operations, and shall defend, indemnify and hold harmless the **GOVERNMENT** with respect to all claims for such loss or damage.
- 35.2 Notwithstanding the other provisions of this Contract, the **CONTRACTOR** and the **CONTRACTOR** Entities shall not be liable to the **GOVERNMENT** or the Public Company or other government agencies, authorities or bodies, courts or political subdivisions for any damage or loss or claims of any kind resulting from its conduct of the Petroleum Operations unless such damage or loss is the result of wilful misconduct or a material failure to conduct Petroleum Operations in accordance with the terms of this Contract; provided, however, that such liability cannot result in the event of any omissions, errors or mistakes committed in good faith by the **CONTRACTOR** in the exercise of the powers and authorisations conferred upon the **CONTRACTOR** by virtue of this Contract, and further provided that in no event shall the **CONTRACTOR** and the **CONTRACTOR** Entities be liable for any indirect or consequential loss or damage whatsoever or any loss, damages, costs, expenses or liabilities caused (directly or indirectly) by any of the following arising out of, relating to, or connected with this Contract or the Petroleum Operations carried out under this Contract: (i) reservoir or formation damage; (ii) inability to produce, use or dispose of Petroleum; (iii) loss or deferment of income; (iv) special or punitive damages; or (v) other indirect damages or losses whether or not similar to the foregoing.
- 35.3 The **CONTRACTOR** shall indemnify and hold harmless the **GOVERNMENT** against all losses, damages and liability arising under any claim, demand, action or proceeding brought or instituted against the **GOVERNMENT** by any employee of the **CONTRACTOR** or of any Subcontractor or by any dependent thereof, for personal injuries, industrial illness, death or damage to personal property sustained in connection with, related to or arising out of the performance or non-performance of this Contract regardless of the fault or negligence in whole or in party of any entity or individual.

KS

JCB
TR

- 35.4 Notwithstanding Article 35.1, the **GOVERNMENT** shall indemnify and hold harmless the **CONTRACTOR** and the **CONTRACTOR** Entities against all losses, damages and liability arising under any claim, demand, action or proceeding brought or instituted against the **CONTRACTOR** or any **CONTRACTOR** Entity by any employee of the **GOVERNMENT** or of any Public Company or of any subcontractor of the foregoing or by any dependent of any such employee, for personal injuries, industrial illness, death or damage to personal property sustained in connection with, related to or arising out of the performance or non-performance of this Contract regardless of the fault or negligence in whole or in part of any entity or individual.
- 35.5 The **CONTRACTOR** shall take all necessary steps to respond to, and shall promptly notify the **GOVERNMENT** of, all emergency and other events (including explosions, leaks and spills), occurring in relation to the Petroleum Operations which are causing or likely to cause material environmental damage or material risk to health and safety. Such notice shall include a summary description of the circumstances and steps taken and planned by the **CONTRACTOR** to control and remedy the situation. The **CONTRACTOR** shall provide such additional reports to the **GOVERNMENT** as are reasonably necessary in respect of the effects of such events and the course of all actions taken to prevent further loss and to mitigate deleterious effects.
- 35.6 In the event of emergency situations as set out in Article 35.4 , at the request of the **CONTRACTOR**, the **GOVERNMENT**, without prejudice and in addition to any indemnification obligations the **GOVERNMENT** may have, shall assist the **CONTRACTOR**, to the extent possible, in any emergency response, remedial or repair effort by making available any labour, materials and equipment in reasonable quantities requested by the **CONTRACTOR** which are not otherwise readily available to the **CONTRACTOR** and by facilitating the measures taken by the **CONTRACTOR** to bring into the Kurdistan Region personnel, materials and equipment to be used in any such emergency response or remedial or repair effort. The **CONTRACTOR** shall reimburse the **GOVERNMENT**'s reasonable and necessary costs incurred in such efforts, which reimbursed amounts shall be considered Petroleum Costs and shall be recovered by the **CONTRACTOR** in accordance with the provisions of Articles 1 and 25.
- 35.7 The **GOVERNMENT** shall indemnify and hold harmless the **CONTRACTOR** and each **CONTRACTOR** Entity from and against all costs (including legal costs) expenses, losses, damages and liability which such Person may suffer or incur, or may result from such Person being denied, hindered or prevented from fully exercising its rights or taking the full benefit of Articles 29.4, and 29.6 to 29.11.

Insurance

- 35.8 In accordance with prudent international petroleum industry practice, each **CONTRACTOR** Entity shall maintain any insurance required by applicable Kurdistan Region Law, as well as any insurance approved by the Management Committee.

Such insurance policies may cover:

KS

JDG
TK

- (a) loss of and damage to material and equipment used in the Petroleum Operations; and
 - (b) personal injury, damage to third parties and risks of pollution associated with Petroleum Operations for reasonable amounts, within the limits approved by the Management Committee.
- 35.9 Any insurance policy relating to this Contract shall name the **GOVERNMENT** as an additional insured party and shall include a waiver of subrogation protecting the **GOVERNMENT** against any claim, loss and damage resulting from any Petroleum Operation conducted by or on behalf of the **CONTRACTOR** under this Contract, to the extent that the **CONTRACTOR** is liable for such claim, loss or damage under this Contract. The **CONTRACTOR** shall not be liable for and shall not purchase insurance cover for any claims arising from negligence or wilful misconduct of the **GOVERNMENT** or of any Public Company or of any of its or their subcontractors or of any personnel of any of the foregoing.
- 35.10 Upon its written request, the **GOVERNMENT** shall be provided with insurance certificates, including necessary details, for any insurance policy maintained by the **CONTRACTOR** which relates to this Contract.
- 35.11 Each **CONTRACTOR** Entity shall be responsible for the filing of all claims made under any insurance policy maintained by such **CONTRACTOR** Entity which relates to this Contract. Any premiums and payments relating to such insurance policies shall be considered Petroleum Costs and shall be recovered by the **CONTRACTOR** in accordance with the provisions of Articles 1 and 25.
- 35.12 In any insurance policy maintained by a **CONTRACTOR** Entity which relates to this Contract, the amount for which the **CONTRACTOR** itself is liable (the "**Deductible Amount**") shall be reasonably determined between the **CONTRACTOR** Entity and the insurer and such Deductible Amount shall in the event of any insurance claim be considered a Petroleum Cost and shall be recovered by the **CONTRACTOR** in accordance with the provisions of Articles 1 and 25.

ARTICLE 36 – INFORMATION AND CONFIDENTIALITY

- 36.1 The **CONTRACTOR** shall keep all records, data and information relating to the Petroleum Operations in accordance with the Kurdistan Region Oil and Gas Law and prudent international petroleum industry practice. In addition, it shall provide the **GOVERNMENT** with such information and data as it is obliged to provide under this Contract.
- 36.2 Upon the **GOVERNMENT**'s written request, the **CONTRACTOR** shall provide the **GOVERNMENT** with samples of any rocks or any other items extracted during the Petroleum Operations.
- 36.3 The **GOVERNMENT** shall have title to all data and information, whether raw, derived, processed, interpreted or analysed, obtained pursuant to this Contract.

KS

JBG
TK

- 36.4 Each **CONTRACTOR** Entity shall have the right, without any limitation, to send Abroad copies of all reports and technical data, magnetic tapes and other data relating to the Petroleum Operations. Magnetic tapes or other data, the original of which must be analysed and processed Abroad, may be transported out of the Kurdistan Region.
- 36.5 Any representatives authorised by the **GOVERNMENT** and notified to the **CONTRACTOR** shall, upon reasonable prior written notice, have reasonable access to any information and data relating to the Contract Area in the possession of the **CONTRACTOR** which the **CONTRACTOR** is obliged to provide to the **GOVERNMENT** pursuant to this Contract. It is understood that, when exercising such right, the **GOVERNMENT** shall ensure it does not unduly interfere with or hinder the **CONTRACTOR**'s rights and activities.
- 36.6 The **CONTRACTOR** shall provide the **GOVERNMENT** upon the **GOVERNMENT**'s written request any analysis information, reports, tapes or other data (geological, geophysical, logs, interpretations, drilling reports, etc.) related to the Petroleum Operations in the possession of the **CONTRACTOR**. All available originals of such data shall be transferred to the **GOVERNMENT** at the end of this Contract.
- 36.7 Apart from the exceptions stated in this Article 36, the Parties undertake to keep all data and information relating to this Contract and the Petroleum Operations confidential during the entire term of this Contract and not to divulge or disclose such data or information to third parties without the specific consent of the other Parties, such consent not to be unreasonably withheld or delayed. The foregoing confidentiality obligation shall not apply to information or data which:
- (a) is or, through no fault of any Party, becomes part of the public domain;
 - (b) is known to the recipient at the date of disclosure;
 - (c) is required to be furnished in compliance with any applicable Law, by a government agency having jurisdiction over a **CONTRACTOR** Entity, by a court order or any other legal proceedings; or
 - (d) is required to be disclosed pursuant to the rules or regulations of any government or recognised stock exchange having jurisdiction over a **CONTRACTOR** Entity.
- 36.8 Notwithstanding the foregoing in Article 36.7, in accordance with prudent international petroleum industry practice, such data and information may be disclosed to:
- (a) Affiliates of each **CONTRACTOR** Entity;
 - (b) employees, officers and directors of each **CONTRACTOR** Entity and their respective Affiliated Companies for the purpose of the Petroleum Operations, subject to each such entity taking customary precautions to ensure such information is kept confidential;

- (c) consultants or agents retained by any **CONTRACTOR** Entity or its Affiliates for the purpose of analysing or evaluating information or data;
- (d) banks or financial institutions retained by any **CONTRACTOR** Entity or its Affiliates with a view to financing Petroleum Operations, including any professional consultants retained by such bank or financial institution;
- (e) *bona fide* prospective assignees of a participating interest under this Contract (including any entity with whom a **CONTRACTOR** Entity and/or its Affiliates are conducting *bona fide* negotiations directed towards a merger, consolidation or the sale of a material portion of its or an Affiliates shares);
- (f) prospective or actual Subcontractors and suppliers engaged by a Party where disclosure of such information is essential to such Subcontractor's or supplier's work for such Party; and
- (g) any other Person or entity, upon the prior written approval of the non-disclosing Parties,

provided that disclosure shall not be made pursuant to paragraphs (c), (d), (e) and (f), unless such third party has entered into a confidentiality undertaking.

- 36.9 Any data and information relating to relinquished or surrendered areas under this Contract shall become the exclusive property of the **GOVERNMENT**, who shall have the right to use same for any purpose, in particular for the purpose of promoting said areas. Each **CONTRACTOR** Entity shall be entitled to keep copies of such data and information and to use such data and information for any purpose.
- 36.10 Subject to the provisions of this Article 36, the **CONTRACTOR** may not sell nor exchange any data related to the Petroleum Operations without the approval of the **GOVERNMENT**, which approval shall not be unreasonably withheld or delayed where, in the **CONTRACTOR**'s reasonable opinion, such sale or exchange would benefit the Petroleum Operations.

ARTICLE 37 – ENVIRONMENTAL PROVISIONS

- 37.1 During the performance of the Petroleum Operations, the **CONTRACTOR** shall take reasonable measures to ensure that it, the Operator, its Subcontractors and agents attend to the protection of the environment and prevention of pollution, in accordance with prudent international petroleum industry practice in similar physical and ecological environments and any then applicable Kurdistan Region Law.
- 37.2 Prior to surrendering a portion of the Contract Area, the **CONTRACTOR** shall take reasonable measures to abandon the area to be surrendered in accordance with prudent international petroleum industry practice in similar physical and ecological environments. Such measures shall include removal or closure in place of facilities, material and equipment together with reasonable measures necessary for the preservation of fauna, flora and ecosystems, all in accordance with prudent international petroleum industry practice in similar physical and ecological environments. The **CONTRACTOR** shall only be responsible for site restoration or

KS

JBC
R

environmental damage to the extent the same pertains solely and directly to Petroleum Operations conducted pursuant to this Contract.

- 37.3 The **CONTRACTOR** shall take reasonable precautions and measures in accordance with prudent international petroleum industry practice in similar physical and ecological environments to prevent any pollution which may arise directly as a result of the Petroleum Operations and to protect the environment (fauna and flora), water sources and any other natural resources when carrying out Petroleum Operations.
- 37.4 The **CONTRACTOR** shall, in accordance with prudent international petroleum industry practice in similar physical and ecological environments, respect the preservation of property, agricultural areas, and fisheries, when carrying out Petroleum Operations.
- 37.5 The **CONTRACTOR** shall conduct and submit an environmental impact assessment to the **GOVERNMENT** within six (6) months after the Effective Date.

National Parks and Nature Reserve Areas

- 37.6 The **CONTRACTOR** shall take reasonable measures to minimise any adverse material impact on national parks and nature reserves which may arise directly as a result of the Petroleum Operations, in accordance with prudent international petroleum industry practice in similar physical and ecological environments.
- 37.7 The **GOVERNMENT**: (i) represents and warrants that, on the Effective Date, there are no national parks, nature reserves or other protected areas located in whole or in part within the Contract Area where the **CONTRACTOR** shall not be entitled to carry out Petroleum Operations and (ii) covenants that during the term of this Contract will not designate or create or permit the creation of any national parks, nature reserves or other protected areas, located in whole or in part within the Contract Area.

Expenditures

- 37.8 Any reasonable expenditure incurred by the **CONTRACTOR** in relation with this Article 37 shall be deemed Petroleum Costs and shall be recovered by the **CONTRACTOR** in accordance with the provisions of Articles 1 and 25.

Pre-existing Conditions

- 37.9 The **CONTRACTOR** is not responsible for any pre-existing environmental conditions or any acts of unrelated third parties.

ARTICLE 38 – DECOMMISSIONING

- 38.1 To enable the **CONTRACTOR** to recover the costs associated with future Contract Area Decommissioning Operations under this Contract, the **CONTRACTOR** shall have the right to establish a reserve fund for future decommissioning and site restoration (a "**Decommissioning Reserve Fund**"). The Decommissioning Reserve Fund may be established at any time during the final ten (10) Calendar Years of the

KS

JBL
R

term of the Production Operations of a Production Area but, upon the reasonable request by the **CONTRACTOR**, the **GOVERNMENT** shall allow the **CONTRACTOR** to establish such fund over a longer period. Once established, the **CONTRACTOR** shall make regular contributions to the Decommissioning Reserve Fund based upon estimated Petroleum Field decommissioning and site restoration costs in accordance with prudent international petroleum industry practice, and taking into account interest received and future interest expected to be earned on the Decommissioning Reserve Fund. Any contributions by the **CONTRACTOR** to the Decommissioning Reserve Fund shall be made in Dollars and shall be deemed Petroleum Costs when paid into the reserve fund, and shall be recovered by the **CONTRACTOR** in accordance with the provisions of Articles 1 and 25. Contributions to the Decommissioning Reserve Fund shall be placed with a first rate bank approved by the Management Committee in accordance with Article 8.5.

- 38.2 If, at the end of the term of the Production Operations of the Production Area, the **GOVERNMENT** decides to take over production operations in the Production Area:
- (a) the **GOVERNMENT** shall become liable for its future Decommissioning Operations;
 - (b) the contributions and any interest accumulated in the Decommissioning Reserve Fund, to the extent that such contributions have been recovered as Petroleum Costs, shall be paid to the **GOVERNMENT**; and
 - (c) the **GOVERNMENT** shall release the **CONTRACTOR** and the **CONTRACTOR** Entities from any obligations relating to Decommissioning Operations and shall indemnify the **CONTRACTOR** and the **CONTRACTOR** Entities for any costs, liabilities, expenses, claims or obligations associated therewith.
- 38.3 If the **CONTRACTOR** undertakes the Production Area Decommissioning Operations, the contributions and any interest accumulated in the Decommissioning Reserve Fund shall be paid to the **CONTRACTOR** and shall be used for the Decommissioning Operations. The **CONTRACTOR** shall undertake any such Decommissioning Operations in accordance with prudent international petroleum industry practice in similar physical and ecological environments.
- 38.4 If the Decommissioning Reserve Fund is paid to the **CONTRACTOR** and the Decommissioning Reserve Fund is not sufficient to cover all Decommissioning Costs for the Contract Area, the balance shall be paid by the **CONTRACTOR** and may be recovered, if applicable, by the **CONTRACTOR** Entities or any of their Affiliates from any other area which is the subject of another Petroleum Contract (as defined by the Kurdistan Region Oil and Gas Law) anywhere in the Kurdistan Region and, to the extent the balance is not recoverable as aforesaid, such remaining balance shall be paid by the **GOVERNMENT** to the **CONTRACTOR**.
- 38.5 If the Decommissioning Reserve Fund is paid to the **CONTRACTOR** and the Decommissioning Reserve Fund exceeds all Decommissioning Costs for the Contract Area, the balance shall be transferred to the **GOVERNMENT**.

RS

JBC
TK

- 38.6 Any expenditure incurred by the **CONTRACTOR** in relation with this Article 38, including any contributions to the Decommissioning Reserve Fund, shall be deemed Petroleum Costs and shall be recovered by the **CONTRACTOR** in accordance with the provisions of Articles 1 and 25.
- 38.7 The **CONTRACTOR** shall submit to the Management Committee for approval in accordance with Article 8.5 a detailed plan for decommissioning the Contract Area facilities and site restoration (the "**Decommissioning Plan**"), such Decommissioning Plan to be submitted no later than twenty four (24) Months prior to the date estimated by the **CONTRACTOR** for the end of Commercial Production from the Contract Area. The Management Committee shall provide comments, if any, on the Decommissioning Plan within ninety (90) days after receipt. The **CONTRACTOR's** completion of the Decommissioning Operations in accordance, in all material respects, with the Decommissioning Plan for a Production Area approved by the Management Committee shall satisfy all of the **CONTRACTOR's** obligations with respect to the performance of Decommissioning Operations for such Production Area. In the event the **GOVERNMENT** does not agree that Decommissioning Operations for a Production Area were carried out in accordance with the approved Decommissioning Plan, it must advise the **CONTRACTOR** within six (6) months of the **CONTRACTOR's** completion of such operations.

ARTICLE 39 – ASSIGNMENT AND CHANGE OF CONTROL

Assignment to Affiliates

- 39.1 Each **CONTRACTOR** Entity shall be free to sell, assign, transfer or otherwise dispose of all or part of its rights, obligations and interests under this Contract to an Affiliated Company or to another **CONTRACTOR** Entity with the prior consent of the **GOVERNMENT**, which consent shall not be unreasonably delayed or withheld.

Assignment to Third Parties

- 39.2 Each **CONTRACTOR** Entity shall have the right to sell, assign, transfer or otherwise dispose of all or part of its rights and interests under this Contract to any third party (not being an Affiliated Company or another **CONTRACTOR** Entity) with the prior consent of **GOVERNMENT**, and each other **CONTRACTOR** Entity (if any) which consent shall not be unreasonably delayed or withheld. Any **CONTRACTOR** Entity proposing to sell, assign, transfer or otherwise dispose of all or part of its rights and interests under this Contract to any such third party shall request such consent in writing, which request shall be accompanied by reasonable evidence of the technical and financial capability of the proposed third party assignee.
- 39.3 In order for any deed of sale, assignment, transfer or other disposal as provided under Articles 39.1 or 39.2 to be effective, the Parties and the relevant third party, if any, shall enter into a binding and enforceable instrument of assignment and novation, which shall include an undertaking by the transferee or assignee to fulfil the obligations under this Contract which correspond to the interest transferred or assigned.

RS

JBL
TR

- 39.4 By way of clarification, and not in limitation of the foregoing provisions of this Article 39, the **GOVERNMENT** shall not be considered to be acting unreasonably in withholding consent to any such assignment if the assignment to such proposed assignee is deemed contrary to the **GOVERNMENT's** interests, as evidenced in writing to that effect signed by the duly authorised representative of the **GOVERNMENT** below.
- 39.5 In the event a **CONTRACTOR** Entity assigns or in any other way transfers its rights and interests under this Contract, whether in whole or in part, such assignment or transfer shall not give rise to any Tax, including on the consideration paid or received or on the income or gain therefrom.
- 39.6 The **GOVERNMENT** may not at any time transfer any or all its rights and obligations under this Contract to any Person, including to a Public Company or any other company or entity, except in accordance with Article 4.

Change of Control

- 39.7 "**Change of Control**" for the purpose of this Article 39.7 means any direct or indirect change of the identity to the Person who Controls a **CONTRACTOR** Entity (whether through merger, sale of shares or of other equity interests, or otherwise) through a single transaction or series of transactions, from one or more transferors to one or more transferees, in which the market value of such entity's participating interest (which shall be as specified in the Joint Operating Agreement relating to this Contract, or where there is only one **CONTRACTOR** Entity, one hundred per cent (100%) in this Contract represents more than seventy five per cent (75%) of the aggregate market value of the assets of such entity and its Affiliates that are subject to the Change in Control. For the purpose of this definition: "**Control**" means the direct or indirect ownership or control of the majority of the voting rights of the applicable entity at its shareholders' meetings or their equivalent; and "**market value**" shall be determined based upon the amount in cash a willing buyer would pay a willing seller in an Arm's Length transaction.

Each **CONTRACTOR** Entity which is or anticipates with a reasonable degree of certainty that it will be subject to a Change in Control, other than to an Affiliated Company or a **CONTRACTOR** Entity, shall notify the **GOVERNMENT** as soon as practicable after it becomes aware of the Change in Control or anticipated Change in Control and request the consent of **GOVERNMENT**, which consent shall not be unreasonably delayed or withheld.

A Change in Control shall not give rise to any Tax including on the consideration paid or received or on the income or gain therefrom.

ARTICLE 40 – FORCE MAJEURE

- 40.1 No delay, default, breach or omission of the **CONTRACTOR** in the execution of any of its obligations under this Contract shall be considered a failure to perform this Contract or be the subject of a dispute if such delay, default, breach or omission is due to a case of Force Majeure. In such event the **CONTRACTOR** shall promptly notify the **GOVERNMENT** in writing and take all reasonably appropriate measures to

KS

JBC
TK

perform its obligations under this Contract to the extent possible. The time resulting from any such delay or curtailment in the execution of such obligations, increased by the time necessary to repair any damage resulting from or occurred during such delay or curtailment, shall be added to any time period provided under this Contract (including the Exploration Period and any extension thereto, any Sub-Period and any extension thereto and any Development Period and any extension thereto). The Parties shall meet as soon as possible after the notification of Force Majeure with a view to using reasonable endeavours to mitigate the effects thereof.

40.2 For the purpose of this Contract, "**Force Majeure**" means any event that is unforeseeable, insurmountable and irresistible, not due to any error or omission by the **CONTRACTOR** but due to circumstances beyond its control, which prevents or impedes execution of all or part of its obligations under this Contract. Such events shall include the following:

- (a) war, whether declared or not, civil war, insurrection, riots, civil commotion, terrorism, any other hostile acts, whether internal or external;
- (b) strikes or other labour conflicts;
- (c) accidents or blowouts;
- (d) quarantine restrictions or epidemics;
- (e) any act, event, happening or occurrence due to natural causes, in particular, but without limitation, floods, storms, cyclones, fires, lightning, or earthquakes;
- (f) environmental restrictions, which the **GOVERNMENT** has not notified to the **CONTRACTOR**;
- (g) except in respect of the **GOVERNMENT** and/or any Public Company which may be a **CONTRACTOR** Entity, any acts or orders of the **GOVERNMENT**, any minister, ministry, department, sub-division, agency, authority, council, committee, or other constituent element thereof, any corporation owned and/or controlled by the any of the foregoing; and
- (h) any acts or orders of any other government claiming or asserting jurisdiction over the subject matter of this Contract, any minister, ministry, department, sub-division, agency, authority, council, committee, or other constituent element thereof, or any corporation owned and/or controlled by any of the foregoing.

40.3 The intention of the Parties is that Force Majeure shall receive the interpretation that complies most with prudent international petroleum industry practice. Force Majeure affecting a **CONTRACTOR** Entity or an Affiliated Company of a **CONTRACTOR** Entity shall be deemed Force Majeure affecting the **CONTRACTOR** if the consequence of such Force Majeure prevents the performance of any of the **CONTRACTOR's** obligations under this Contract.

KS

JBL
TK

ARTICLE 41 – WAIVER OF SOVEREIGN IMMUNITY

The **GOVERNMENT** and any Public Company which may be a **CONTRACTOR** Entity at any time hereby fully and irrevocably waives any claim to immunity for itself or any of its assets.

This waiver includes any claim to immunity from:

- (a) any expert determination, mediation, or arbitration proceedings commenced pursuant to Article 42;
- (b) any judicial, administrative or other proceedings to aid the expert determination, mediation, or arbitration proceedings commenced pursuant to Article 42; and
- (c) any effort to confirm, enforce or execute any decision, settlement, award, judgment, service of process, execution order or attachment (including pre-judgment attachment) that results from an expert determination, mediation, arbitration or any judicial, administrative or other proceedings commenced pursuant to this Contract.

ARTICLE 42 – ARBITRATION AND EXPERT DETERMINATION

Negotiation, Mediation and Arbitration

42.1 For the purpose of this Article 42.1, "**Dispute**" shall mean any dispute, controversy or claim (of any and every kind or type, whether based on contract, tort, statute, regulation or otherwise) arising out of, relating to, or connected with this Contract or the operations carried out under this Contract, including any dispute as the construction, existence, validity, interpretation, enforceability, breach or termination of this Contract, which arises between the Parties (or between any one or more entities constituting the **CONTRACTOR** and the **GOVERNMENT**).

In the event of a Dispute, the parties to the Dispute shall use their reasonable endeavours to negotiate promptly in good faith a mutually acceptable resolution of such Dispute.

Subject to the provisions of Article 42.2, a Party who desires to submit a Dispute for resolution which has not been promptly resolved as aforesaid shall commence the dispute resolution process by providing the other parties to the Dispute written notice of the Dispute ("**Notice of Dispute**"). The Notice of Dispute shall identify the parties to the Dispute, shall contain a brief statement of the nature of the Dispute and the relief requested and shall request negotiations among Senior Representatives.

- (a) In the event that any Notice of Dispute is given in accordance with this Article 42.1, the parties to the Dispute shall first seek settlement of the dispute by negotiation between Senior Representatives. "**Senior Representative**" means any individual who has authority to negotiate the settlement of the Dispute for a party to the Dispute, which for the **GOVERNMENT** shall mean the Minister of Natural Resources. Within thirty (30) days after the date of delivery of the Notice of Dispute, the Senior Representatives representing the parties to the Dispute shall meet at a mutually acceptable date, time and place

KS

JBC
TR

to exchange relevant information in an attempt to resolve the Dispute. If a Senior Representative intends to be accompanied at the meeting by a legal adviser, each other party shall be given written notice of such intention and its Senior Representative may also be accompanied at the meeting by a legal adviser.

- (b) If the Dispute cannot be resolved by negotiation in accordance with Article 42.1 (a) within sixty (60) days after the date of the receipt by each party to the Dispute of the Notice of Dispute or such further period as the parties to the Dispute may agree in writing, any party to the Dispute may seek settlement of the dispute by mediation in accordance with the London Court of International Arbitration ("LCIA") Mediation Procedure, which Procedure shall be deemed to be incorporated by reference into this Article, and the parties to such Dispute shall submit to such mediation procedure.
- (c) If the Dispute is not settled within the earlier of (A) sixty (60) days of the appointment of the mediator, or such further period as the parties to the Dispute may otherwise agree in writing under the mediation procedure under Article 42.1 (b), and (B) one hundred and twenty (120) days after the delivery of the Dispute Notice, any party to the Dispute may refer the Dispute to, and seek final resolution by, arbitration under the LCIA Rules, which Rules shall be deemed to be incorporated by reference into this Article.
- (i) Any arbitration shall be conducted by three (3) arbitrators.
- (ii) If the parties to the Dispute are the **GOVERNMENT** and all the **CONTRACTOR** Entities, the **GOVERNMENT** and the **CONTRACTOR** shall each appoint one (1) arbitrator. If the parties to the Dispute are the **GOVERNMENT** and more than one, but not all the **CONTRACTOR** Entities, the **GOVERNMENT** shall appoint one (1) arbitrator and such **CONTRACTOR** Entities shall appoint one (1) arbitrator. If the parties to the Dispute are the **GOVERNMENT** and one **CONTRACTOR** Entity, the **GOVERNMENT** and such **CONTRACTOR** Entity shall each appoint one (1) arbitrator.
- (iii) In any event, the two arbitrators so appointed shall, in good faith, use all reasonable endeavours to agree on the appointment of the third arbitrator, who will chair the arbitral tribunal. In case of failure to appoint an arbitrator or to agree on the appointment of the third arbitrator, Rules of the LCIA shall apply.
- (vi) Arbitration shall take place in London, England. The language to be used in any prior negotiation, mediation and in the arbitration shall be English. During the arbitration procedure and until the arbitral decision, the Parties shall continue to perform their obligations and take no actions that would impair the Contract. The arbitral award may be enforced by any court of competent jurisdiction, including in the Kurdistan Region. Any award shall be expressed in Dollars.

KS

JBL
R

- (v) The Parties agree that the arbitral award shall be final and not subject to any appeal, including to the Courts of England on issues of Law.
- (vi) With respect to any matter referred to arbitration under Article 43.4, the arbitral tribunal shall have the authority to amend this Contract to restore the economic position referred to in Article 43.3.

Expert Determination

42.2 Any disagreement between the Parties relating to Articles 15.9, 27.2 and 27.5, as well as any disagreement the Parties agree to refer to an expert, shall be submitted to an expert. The Management Committee shall prepare and agree appropriate terms of reference relating to the disagreement to be submitted to the expert, in accordance with Article 8.5 ("**Terms of Reference**"), as soon as possible after the disagreement arises.

- (a) The disagreement shall be submitted to an expert appointed by mutual agreement of the Parties within thirty (30) days following the date of preparation and agreement of the Terms of Reference by the Management Committee. If the Parties cannot agree on the choice of the expert within such thirty (30) day period, at the request of either Party, the expert shall be appointed by the President of the Energy Institute in London, England. Any expert appointed must have the necessary qualifications for reviewing and deciding on the subject matter of the disagreement.
- (b) The duties of the expert shall be stated in the Terms of Reference prepared and agreed by the Management Committee. The Management Committee shall promptly provide the expert with the agreed Terms of Reference relating to the disagreement. Each Party shall have the right to give to the expert in writing any information which it considers useful, provided it does so within forty-five (45) days after the expert's appointment. Such information shall be provided to the other Party at the same time and such other Party shall be entitled to provide comments on such information to the first Party and the expert within thirty (30) days after receiving such information. The expert shall have the right to review and verify any information he deems useful to assist him in his review of the disagreement.
- (c) The expert shall render his decision within forty-five (45) days of his receipt of the Terms of Reference and the information referred to in Article 42.2. Subject to the provisions of Article 15.9, any decision of the expert shall be final and shall not be subject to any appeal, except in the case of manifest error, fraud or malpractice. Any costs and expenses associated with the expert determination shall be shared equally between the Parties.

General

42.3 No negotiation, mediation, arbitration or expert determination procedure under this Article 42 shall exempt the Parties from fulfilling their respective legal and/or contractual obligations.

KS

JBF
TK

ARTICLE 43 – GOVERNING LAW, FISCAL STABILITY AND AMENDMENTS

Governing Law

- 43.1 This Contract, including any dispute arising therefrom, thereunder or in relation thereto and the agreement to arbitrate in Article 42, shall be governed by English law (except any rule of English law which would refer the matter to another jurisdiction), together with any relevant rules, customs and practices of international law, as well as by principles and practice generally accepted in petroleum producing countries and in the international petroleum industry.

Fiscal Stability

- 43.2 The obligations of the **CONTRACTOR** in respect of this Contract shall not be changed by the **GOVERNMENT** and the general and overall equilibrium between the Parties under this Contract shall not be affected in a substantial and lasting manner.
- 43.3 The **GOVERNMENT** guarantees to the **CONTRACTOR**, for the entire duration of this Contract, that it will maintain the stability of the legal, fiscal and economic conditions of this Contract, as they result from this Contract and as they result from the laws and regulations in force on the date of signature of this Contract. The **CONTRACTOR** has entered into this Contract on the basis of the legal, fiscal and economic framework prevailing at the Effective Date. If, at any time after the Effective Date, there is any change in the legal, fiscal and/or economic framework under the Kurdistan Region Law or other Law applicable in or to the Kurdistan Region which detrimentally affects the **CONTRACTOR**, the **CONTRACTOR** Entities or any other Person entitled to benefits under this Contract, the terms and conditions of the Contract shall be altered so as to restore the **CONTRACTOR**, the **CONTRACTOR** Entities and any other Person entitled to benefits under this Contract to the same overall economic position (taking into account home country taxes) as that which such Person would have been in, had no such change in the legal, fiscal and/or economic framework occurred.
- 43.4 If the **CONTRACTOR** believes that its economic position, or the economic position of a **CONTRACTOR** Entity or any other Person entitled to benefits under this Contract, has been detrimentally affected as provided in Article 43.3, upon the **CONTRACTOR**'s written request, the Parties shall meet to agree on any necessary measures or making any appropriate amendments to the terms of this Contract to re-establishing the equilibrium between the Parties and restoring the **CONTRACTOR**, the **CONTRACTOR** Entities or any other Person entitled to benefits under this Contract to the position (taking into account home country taxes) it was in prior to the occurrence of the change having such detrimental effect. Should the Parties be unable to agree on the merit of amending this Contract and/or on any amendments to be made to this Contract within ninety (90) days of the **CONTRACTOR**'s request (or such other period as may be agreed by the Parties), the **CONTRACTOR** may refer the matter in dispute to arbitration as provided in Article 42.1, without the necessity of first referring the matter to negotiation and mediation.

KS

JCB
TK

- 43.5 Without prejudice to the generality of the foregoing, the **CONTRACTOR** shall be entitled to the benefit of any future changes to the petroleum legislation or any other legislation complementing, amending or replacing it.
- 43.6 The Parties agree to cooperate in all possible ways with a view to fully achieving the objectives of this Contract. The **GOVERNMENT** shall facilitate the performance of the Petroleum Operations by promptly granting to the **CONTRACTOR** any necessary authorisation, permit, licence or access right and making available any existing facilities and services with a view to the Parties obtaining maximum mutual benefit from the Contract.

Amendments

- 43.7 Any amendment to this Contract shall be the subject of a formal amendment, duly approved in writing by the Parties and subject to the same conditions of validity as this Contract. Notwithstanding the foregoing, the **GOVERNMENT** has the right and authority to waive the application of the provisions of this Contract on a case-by-case basis without having to fulfil the conditions of validity of this Contract.
- 43.8 This Contract constitutes the entire agreement of the Parties and supersedes any and all prior understandings or agreements in respect of the subject matter of this Contract.
- 43.9 Unless otherwise expressly stated elsewhere in this Contract, no failure or delay of any Party to exercise any right, power or remedy under this Contract shall operate as a waiver thereof; nor shall any single or partial exercise of any such right, power or remedy preclude any other or future exercise thereof or the exercise of any other right, power or remedy.

Validity

- 43.10 As signatories to this Contract for and on behalf of the **GOVERNMENT**, the Ministry of Natural Resources in the Kurdistan Region and the Regional Council for the Oil and Gas Affairs of the Kurdistan Region - Iraq hereby represent that they agree and approve this Contract for the purposes of the Kurdistan Region Oil and Gas Law.

ARTICLE 44 – NOTICES

- 44.1 All notices, demands, instructions, waivers, consents or other communications to be provided pursuant to this Contract shall be in writing in English, shall be effective upon receipt, and shall be sent by receipted hand delivery or by email (followed by delivery by reputable international air courier company with an establishment in Erbil in the Kurdistan Region) to the following addresses:

A notice delivered by email (followed by air courier) shall, save for manifest error, be deemed to have been delivered upon its transmission by email.

- 44.2 The above address and/or designated representative of any of the Parties may be changed on giving ten (10) days prior notice to the other Party delivered pursuant to Article 44.1.

ARTICLE 45 – TERMINATION

- 45.1 Subject to the provisions of Article 45.5, the **GOVERNMENT** shall have the right to terminate this Contract in the event the **CONTRACTOR:**
- (a) fails to meet a material financial obligation expressly stated in this Contract; or
 - (b) during the First Sub-Period does not carry out drilling and seismic acquisition, as detailed in Article 10.2 or, during the Second Sub-Period (or earlier), does not carry out drilling and seismic acquisition, as detailed in Article 10.3; or
 - (c) interrupts Production for a period of more than ninety (90) consecutive days with no cause or justification acceptable in accordance with this Contract or

WS

JBG
TK

under prudent international petroleum industry practice, it being recognised that Force Majeure is an acceptable justification for such interruptions; or

- (d) intentionally extracts or produces any mineral which is not covered by the object of this Contract, unless such extraction or production is expressly authorised or unavoidable as a result of operations carried out in accordance with prudent international petroleum industry practice;
 - (e) if the **CONTRACTOR** comprises solely one entity, is declared bankrupt in accordance with applicable Law; or
 - (f) wilfully refuses to abide by negotiation, mediation, arbitration or expert decision under Article 42.
- 45.2 The **GOVERNMENT** may also terminate the Contract only in respect of one **CONTRACTOR** Entity if such entity is subject to a Change of Control for which the **GOVERNMENT** has not given its authorisation in accordance with Article 39.7.
- 45.3 At any time prior to the Development Period, the **CONTRACTOR** shall have the right to terminate this Contract by surrendering the entire Contract Area in accordance with the provisions of Article 7.
- 45.4 During the Development Period, the **CONTRACTOR** shall have the right to terminate this Contract at any time by surrendering all Production Areas, provided its then current obligations have been satisfied in accordance with this Contract.
- 45.5 If the **GOVERNMENT** intends to exercise its right to terminate this Contract pursuant to Article 45.1, it shall first comply with the following provisions:
- (a) The **GOVERNMENT** shall notify the **CONTRACTOR** of its intention to terminate this Contract stating the reasons for such termination and requesting the latter:
 - (i) to remedy the default; or
 - (ii) to propose acceptable compensation.
 - (b) If, within three (3) Months after the notice referred to in Article 45.5(a), the **CONTRACTOR** has not remedied the situation complained of by the **GOVERNMENT** to its satisfaction or offered compensation acceptable to the **GOVERNMENT** in each case acting reasonably, the **GOVERNMENT** shall notify the **CONTRACTOR** in writing that the Contract shall be terminated from the termination date detailed in such notice. This Contract shall terminate on such termination date unless the **CONTRACTOR** issues a notice of dispute as provided under Article 42, in which case this Contract shall remain in force until a final settlement of the dispute has been reached in accordance with the dispute resolution provisions of Article 42.

The foregoing provisions of this Article 45.5 are subject to the proviso that, in case of a dispute where there has been breach of this Contract which has been submitted to dispute resolution pursuant to Article 42, the **GOVERNMENT** shall not be entitled

RS

JBC
TK

to exercise its right to terminate this Contract prior to a final determination under Article 42 in favour of the **GOVERNMENT**.

- 45.6 If the **GOVERNMENT** terminates this Contract pursuant to the provisions of Articles 45.1 and 45.5, the **CONTRACTOR** shall lose all its rights and interests under this Contract. Notwithstanding the foregoing, the provisions of Articles 14.10, 16.7, 30, 31, 35.1, 35.3, 35.4, 35.7, 36, 38.2(c), 41, 42, 43.1 to 43.6 shall survive the termination or expiry of this Contract.
- 45.7 If a **CONTRACTOR** Entity breaches Article 46.1 or 46.2 the **GOVERNMENT** or another **CONTRACTOR** Entity may terminate this Contract in respect of the first **CONTRACTOR** Entity.
- 45.8 If the Contract is terminated under Article 45.2 or 45.7, the interest of the relevant **CONTRACTOR** Entity shall be transferred to the other **CONTRACTOR** Entities in the proportions in which their respective percentage interests bear to the aggregate of their respective percentage interests under the relevant Joint Operating Agreement or in such other proportions as such **CONTRACTOR** Entities shall agree between them for the market value thereof (as such term is defined in Article 39.7). Such transfer shall not give rise to any Tax including on the consideration paid or received or on the income or gain therefrom.

ARTICLE 46 – APPLICATION OF CORRUPTION LAWS

- 46.1 If this Contract is reasonably proven to have been obtained in violation of Kurdistan Region Law concerning corruption, this Contract is void *ab initio*.
- 46.2 Each **CONTRACTOR** Entity agrees that if it is, at any time, reasonably proven to be in breach of Kurdistan Region Law concerning corruption the provisions of Article 45.7 apply.

ARTICLE 47 – EFFECTIVE DATE

This Contract shall become effective and be binding on the Parties upon the signature of the Contract by the duly authorised representatives of the **GOVERNMENT** and the **CONTRACTOR**, as provided below.

ANNEX B

ACCOUNTING PROCEDURE

PARAGRAPH 1 – GENERAL PROVISIONS

1.1 Purpose

To classify expenditures, define further Petroleum Costs (in addition to those defined as such in the Articles of the Contract), and prescribe the manner in which the **CONTRACTOR's** Accounts shall be prepared and approved.

1.2 Definitions

Words and phrases to which a meaning has been assigned in Article 1 or other Articles of the Contract shall have the same meaning when used in this Annex.

1.3 Inconsistency

In the event of any inconsistency or conflict between the provisions of this Annex and the other provisions of the Contract, then the other provisions of the Contract shall prevail.

1.4 Accounting Records and Reports

1.4.1 The **CONTRACTOR** shall maintain the Accounts in accordance with Article 15.1 and in accordance with this Accounting Procedure, including in accordance with the charts of Accounts agreed under Paragraph 1.4.2.

1.4.2 Within sixty (60) days of the Effective Date, the **CONTRACTOR** shall submit to and discuss with the **GOVERNMENT** a proposed outline of charts of Accounts, which outline shall be in accordance with generally accepted standards and recognized accounting systems and consistent with normal petroleum industry practice and procedures. Within ninety (90) days of receiving the above submission, the **GOVERNMENT** shall either provide written notification of its approval of the proposal or request in writing revisions to the proposal. Within one hundred and eighty (180) days after the Effective Date, the **CONTRACTOR** and the **GOVERNMENT** shall agree on the outline of charts of Accounts which shall describe the basis of the accounting system and procedures to be developed and used under this Contract. Following such agreement, the **CONTRACTOR** shall expeditiously prepare and provide the **GOVERNMENT** with formal copies of the comprehensive charts of Accounts and manuals related to the accounting, recording and reporting functions, and procedures which are, and shall be, observed under the Contract.

1.4.3 Notwithstanding the generality of the foregoing, the **CONTRACTOR** shall make regular Statements relating to the Petroleum Operations. These Statements are as shown:

- (a) Production Statement (as indicated in Paragraph 6).
- (b) Value of Production and Pricing Statement (as indicated in Paragraph 7).
- (c) Cost Recovery and Share Account Statement (as indicated in Paragraph 8).
- (d) Statement of Expenditures and Receipts (as indicated in Paragraph 9).
- (e) Final End-of-Year Statement (as indicated in Paragraph 10).
- (f) Budget Statement (as indicated in Paragraph 12).

1.4.4 All reports and statements shall be prepared in accordance with the Contract, Kurdistan Region Law, and where there are no relevant provisions of either of these, in accordance with prudent international petroleum industry practice.

1.5 Language and Units of Account

All Accounts shall be maintained and prepared in the English language and shall be recorded in Dollars. Where necessary for clarification, the **CONTRACTOR** may also maintain Accounts in other currencies.

1.6 Audit and Inspection Rights of the GOVERNMENT

In addition to the provisions of Articles 15.3 to 15.7 and 15.9, the following provisions shall apply to any audit carried out in accordance with Articles 15.3 to 15.7:

- 1.6.1 For purposes of auditing, the **GOVERNMENT**, acting reasonably and in accordance with prudent international petroleum industry practice, may examine and verify, at reasonable times upon reasonable prior written notice to the **CONTRACTOR**, all charges and credits relating to the Petroleum Operations, such as books of account, accounting entries, material records and inventories, vouchers, payrolls, invoices and any other documents, correspondence and records including electronic records reasonably considered necessary by the **GOVERNMENT** to audit and verify the charges and credits, values and treatments.
- 1.6.2 Furthermore, the auditors shall have the right in connection with such audit, to visit and inspect at reasonable times, all sites, plants, facilities, warehouses and offices of the **CONTRACTOR** directly or indirectly serving the Petroleum Operations and to question personnel associated with those Petroleum Operations.
- 1.6.3 Where the **GOVERNMENT** requires verification of charges made by an Affiliated Company of the **CONTRACTOR**, the **GOVERNMENT** shall have the right to obtain an audit certificate for such changes from an internationally recognized firm of public accountants acceptable to both the **GOVERNMENT** and the **CONTRACTOR**, which may be the **CONTRACTOR**'s statutory auditor.
- 1.6.4 All agreed adjustments resulting from an audit shall be promptly made in the **CONTRACTOR**'s Accounts and any consequential adjustments to payments due to

KS

JBL
TH

the **CONTRACTOR** or to the **GOVERNMENT**, as the case may be, shall be made promptly.

- 1.6.4 When issues are outstanding with respect to an audit, the **CONTRACTOR** shall maintain the relevant documents and permit inspection thereof until the issue is resolved.

1.7 Payments

Unless as otherwise provided in Article 24, Article 29 or other Articles of the Contract:

- 1.7.1 All payments between the Parties shall, unless otherwise agreed, be in Dollars and be made through a bank designated in writing by each receiving party; and all sums due under the Contract shall be paid within thirty (30) days following the end of the Month in which the obligation to make such payment occurred.
- 1.7.2 All sums due by one party to the other under the Contract shall, for each day such sums are overdue, bear interest compounded monthly at LIBOR plus two per cent (2%).

1.8 Currency Exchange Rates

In addition to the provisions of Article 29, the following provisions shall apply to any exchanges of currency carried out in accordance with Article 29:

- 1.8.1 Amounts received and Petroleum Costs incurred, shall be converted from other currencies into Dollars in accordance with the **CONTRACTOR**'s usual accounting procedures which shall reflect generally accepted accounting practices in the international petroleum industry, and with reference to exchange rates obtained in accordance with Article 29.

1.9 Accrual Basis, Cash Flow Basis and Reports

All books and Accounts shall be prepared on an accrual basis in accordance with generally accepted accounting principles used in the international petroleum industry.

1.10 Values and Treatments

Values and treatments proposed by the **CONTRACTOR** relating to all Petroleum Costs shall be subject to challenge by the **GOVERNMENT** in the course of audit to ensure that they are in accordance with the provisions of this Accounting Procedure.

PARAGRAPH 2 – CLASSIFICATION, DEFINITION AND ALLOCATION OF COSTS AND EXPENSES

2.1 Segregation of Costs and Expenses

Petroleum Costs shall be segregated in accordance with the purposes for which such Petroleum Costs are made. The purposes which shall qualify are:

KS

JG
TR

- (a) those which have been included in the approved Work Program and Budget for the year in which the Costs and Expenditures are made;
- (b) expenditures incurred in cases of emergency as set out in Articles 11.7, 13.5, 13.9 35.5, 35.6 and any other Articles of the Contract;
- (c) any other purposes agreed in the Articles of the Contract; and
- (d) other items which have been agreed by the Parties from time to time.

All Petroleum Costs recoverable under Paragraph 3 relating to Petroleum Operations shall be classified, defined and allocated as set out below.

2.2 Exploration Costs

Exploration Costs are all direct and allocated indirect costs and expenditures incurred in carrying out the Exploration Operations, including all direct and allocated indirect costs and expenditures incurred in the search for Petroleum in an area which is, or was at the time when such costs and expenses were incurred, part of the Contract Area including:

- 2.2.1 Aerial, geophysical, geochemical, paleontological, geological, topographical and seismic surveys and studies and their interpretation and purchased geological and geophysical information.
- 2.2.2 Stratigraphic test hole drilling and water well drilling.
- 2.2.3 Labour, materials, supplies, and services used in drilling and formation testing of wells with the object of finding Petroleum or Appraisal Wells excluding any costs of the subsequent completion of such wells as producing wells.
- 2.2.4 Facilities to the extent used in support of the purposes described in Paragraphs 2.2.1, 2.2.2 and 2.2.3, including access roads.
- 2.2.5 That portion of all service expenditures and that portion of all general and administrative expenditures directly attributable to Exploration Costs or allocated thereto on a consistent and equitable basis.
- 2.2.6 Any other expenditures incurred in the search for and appraisal of Petroleum after the Effective Date and not otherwise covered under this Paragraph 2.2.

2.3 Gas Marketing Costs

Gas Marketing Costs are all direct and allocated indirect costs and expenditures incurred in carrying out Gas Marketing Operations and include that portion of all service expenditures and that portion of all general and administrative expenditures directly attributable to Gas Marketing Costs or allocated thereto on a consistent and equitable basis.

KS

JBC
TK

2.4 Development Costs

Development Costs are all direct and allocated indirect costs and expenditures incurred in carrying out Development Operations including all direct and allocated indirect costs and expenditures incurred in:

- 2.4.1 Drilling wells which are completed as producing wells and drilling wells for purposes of producing from a Petroleum reservoir, whether these wells are dry or producing and drilling wells for the injection of water or gas to enhance recovery of Petroleum.
- 2.4.2 Completing wells by way of installation of casing or equipment or otherwise after a well has been drilled for the purpose of bringing the well into use as a producing well or as a well for the injection of water or gas to enhance recovery of Petroleum.
- 2.4.3 The costs of Petroleum production, transport and storage facilities such as pipelines, flow lines, production and treatment units, wellhead equipment, subsurface equipment, enhanced recovery systems, Petroleum storage facilities, and access roads for production activities.
- 2.4.4 Engineering and design studies for the wells and facilities referred to in Paragraphs 2.4.1, 2.4.2 and 2.4.3.

And including that portion of all service expenditures and that portion of all general and administrative expenditures directly attributable to Development Costs or allocated thereto on a consistent and equitable basis; and any other expenditure incurred in the Development Operations and not otherwise covered under Paragraph 2.3.

2.5 Production Costs

Production Costs are all direct and allocated indirect costs and expenditures incurred in carrying out Production Operations, including all direct and allocated indirect costs and expenses incurred in Petroleum Operations after First Production which are other than Exploration Costs, Gas Marketing Costs, Development Costs and Decommissioning Costs. Production Costs include that portion of all service expenditures and that portion of all general and administrative expenditures directly attributable to Production Costs or allocated thereto on a consistent and equitable basis.

2.6 Decommissioning Costs

Decommissioning Costs are all direct and allocated indirect costs and expenditures incurred in carrying out Decommissioning Operations and include that portion of all service expenditures and that portion of all general and administrative expenditures directly attributable to Decommissioning Costs or allocated thereto on a consistent and equitable basis, and the Decommissioning Reserve Fund shall be determined on such basis, in advance of incurring such costs, as provided in Article 38 and, for the purposes of cost recovery, the contributions to the Decommissioning Reserve Fund shall be recovered in accordance with Article 38.
